EDITORIAL

SOONER OR LATER it had to happen: Britain's first PUBLIC all-porno cinema! And what more appropriate a venue than the mammoth ASTRAL CINEMA COMPLEX! It's situated right bang in the heart of sexy Soho, at the junction of Brewer St., and Wardour St. This cinema simply has to be seen to be believed; it incorporates two 200-seat theatres, is air-conditioned throughout, and is equipped with the very latest German projection equipment, installed at a cost of many thousands of pounds, and superior to that found in ANY OTHER WEST END CINEMA OF ANY KIND! All films shown are top class 35mm, all with stereo soundtracks. NEVER BEFORE HAS HARDCORE BEEN SO WICKEDLY WATCHABLE!

But then... maybe it's still early days to consider taking the wife or girlfriend along to an out-and-out hardcore outfit such as the Astral. This being the case, you could always take the lady in your life along to a sexy, but slightly less explicit motion picture such as:
COME PLAY WITH ME 2 (X) – a fabulously erotic follow-on to the staggeringly successful COME PLAY WITH ME. It is, however, a far, far superior movie, and was made in Hamburg by Tabu Films of hardcore porno fame. It was recently awarded the coveted Golden Rose as the best film of 1980 by the Copenhagen Blue Film Festival committee – no mean feat, considering there were almost 200 entries! It will show only at these cinemas:

LONDON: Moulin Cinema, from 31st July and BLACKPOOL: Studio Cinema, from 28th August. Also showing at these Cinemas: MANCHESTER Cameo, 3rd Aug. CARLISLE: Studio, 17th Aug. GLASGOW Classic Grand, 24th Aug. EDINBURGH Classic, 24th Aug. NEWCASTLE Studio, 24th Aug. BLACKPOOL Studio, 28th Aug. LEEDS Plaza, 7th Sept. STOCKPORT: Classic, 14th Sep. SHEFFIELD Classic, 14th Sept. ROTHERHAM: Classic, 14th Sep. BRISTOL: Studio, 23rd Oct.

Just as raunchy and professionally produced is:
DESIRES WITHIN YOUNG GIRLS – America's current No.1 sex movie. It, too, is an award winner: best film (New York Erotic Film Festival '80) and best female lead (Karen Miles). It could almost be classed as hardcore, but it's nevertheless showing at these public cinemas:

From July 31st – Studio Blackpool; From August 3rd: Glasgow (Classic), Leeds (Plaza), Sheffield (Studio), Bradford (Cinecenta), Rotherham (Classic), Liverpool (Studio), Manchester (Studio), Stockport (Classic), Newcastle (Studio).

From August 4th – Edinburgh, Classic.

From August 7th – London (Eros, Piccadilly Circus) and Bristol (Studio).

An exciting development this year in the world of sex magazines is the new-look PARK LANE, which has been transformed by its publishers from a soft "glamour" magazine to a really raunchy combination of shots of girls holding their pussies wide open, with guys with huge dicks and sucking and licking them out. True, not everybody likes hard sex material of this kind, but the girls in this new-look PARK LANE are so gorgeous, who could be so cruel as to deny them a good fuck! Either way, the choice is yours. The first new format PARK LANE is in the shops NOW, or you can order it via mail order from: Mail Order Dept., 34 Upton Lane, London E.7. It's priced at £1.10, but you'll have to add 25p carriage if ordering via mail.

Talking of shops, are you aware that we now own shops in all parts of the U.K.? They're all called PRIVATE shops, and they retail those "specialist" sex items which are unobtainable elsewhere. Check this latest list to see if there's a PRIVATE shop near YOU!

Recently the Government-appointed Williams Committee suggested that pornography did no harm whatsoever and that it should be available for those who wanted it. Whitehouse magazine has always been the most explicit magazine on the market, they have now brought out an even stronger magazine – it contains 100 pages, all colour pages, no adverts, no stories – simply very explicit all action, group photos. Nothing like this has ever before been sold in Britain. Comparable Swedish magazines sell for £5/£10. The WHITEHOUSE ALL COLOUR DIGEST, as its called, comes out bi-monthly and sells for £1.50 (Mail order send £1.75 for a sample copy to: Mail Order Division, 34 Upton Lane, London E.7., Subscriptions £10). This is a really superb magazine; alternatively ask him to get a copy in so that you can see how good it is before you buy it. You'll NEVER have seen a British magazine like it. Make a note of the Name: The 'Whitehouse All Colour Digest' and remember it contains NO adverts and stories, just raunchy pictures all in colour!

SEX IN MARRIAGE
A THREE PART INVESTIGATION

EXTRA MARITAL SEX

PART THREE

In Part One of this in-depth investigation into sex in marriage, we looked at the honeymoon, and the problems that can arise on that first night of wedded sex. In Part Two we looked at the way boredom can creep in after people have been married for a few years and at some of the kinky things people did to keep the marriage alive. Now, in the final part of this series, we turn our attention to those people who have 'a bit on the side'. People whose marriages do not come up to expectations, people who take lovers.

We were surprised at the huge number of people, both men and women, who said they were having sex outside marriage. We could waffle on for pages about the reasons for this, so perhaps the best way of explaining why people take lovers is to let those people speak for themselves.

Janet is a typical case. She has been married for ten years and is thirty three years old. She lives in London and works for an advertising company. This is what she told us about her extra-marital affairs:

"The first few years of my married life were really good. We fucked just about every night. Then the sex started to get a little boring, then my husband spent more and more time at work.

"Now I'm a very sexual person and I need sex to keep me going. So when my husband stopped showing an interest in sex, I looked round for a lover.

"I didn't have to look very far. One of the men I worked with had always shown a great interest in me, and one afternoon he took me back to his flat. I knew what he had in mind, and I was more than willing. For my husband hadn't fucked me for six weeks, and I was dying to get a cock into my pussy again, and if my husband didn't want to do it, then I just had to go for someone else. I didn't feel guilty about it in the least. After all, I'd given my husband every chance to fuck me, he hadn't, and I'm only human.

"So, we went back to this guy's flat and we went straight into the bedroom. He undressed me very slowly, which was nice, for my husband had stopped doing that sort of thing ages ago; and any sexy woman likes to be undressed by a good looking man.

"I took one look at his stiff cock and thrilled with pleasure, for you must remember that I hadn't had a cock inside me for ages, so just seeing one in front of me, just seeing one all hot and throbbing and hard, almost gave me an orgasm on the spot.

"He took me over to the bed and then his hands worked away on my breasts and nipples, and I reached down and curled the fingers of my right hand round the base of his stiff shaft.

"It felt so good to have a cock in my hand again, so very good, and the throbbing power of it made my senses reel, and my cunt lips gaped open and the first few drops of my cunt cream trickled out.

"He went down on me, and his tongue glided into my hot quim. I shouted with desire, for apart from my own fingers, his tongue was the first thing I'd had inside my cunt for weeks, and it felt so nice, so good, so bloody wonderful, that another orgasm powered through my naked flesh.

"His tongue lapped and slurped away and he drank down lots of my cunt cream, and then he rolled on top of me and a few seconds later his lovely cock was deep inside my cunt hole, very deep inside.

"His huge glans battered against my cunt lining as he fucked me very hard, and my orgasms came thick and fast. Unless you are a woman, you just wouldn't understand how great it was for me to have a thick cock inside me after all that time.

"He fucked away like mad, his balls banging against my pussy lips, his thick shaft making my cunt walls expand out all the way.

"Then he came, and I screamed with delight as I felt a thick gushing flood of hot spunk jet deep into my quim. That sperm was the hottest I've ever had inside me, and needless to say it gave me a marvellous final climax.

"Ever since then I've taken many different lovers, and until my husband starts fucking me again like he used to, I will continue to look for sex outside marriage."

That seemed to be a common factor with everyone we talked to, the fact that one or other of the married couples considered that he, or she, wasn't getting enough sex at home in the marriage bed.

Ted is another example of this. He had been married for five years, and during that time he had enjoyed quite a good sex life with his wife. However there was one aspect of that sex which was not at all what it should have been. This is what Ted said to us when we interviewed him at his house in Bristol:

"HER HEAD BOBBED UP AND DOWN AND THEN I EJACULATED A THICK STREAM OF SPUNK INTO HER MOUTH, AND THAT'S WHEN SHE HAD HER FIRST ORGASM..."

"Sex with my wife was just fine, however she always refused to suck me off. No, that's a lie. In the very early years of our marriage she was sucking me off all the time. But in the last year or so she wouldn't let me put my cock anywhere near her face.

"Now, like most men, I do enjoy getting sucked off every now and then, I do enjoy shoving my cock deep into a woman's mouth and have her swallow down my hot sperm when I come. I tried to talk this problem over with my wife, but she just didn't want to know.

"Well, the choice was obvious, I could either behave myself and hope that one day my wife would come round to sucking me off again, or I could go out, look for another woman, and get myself a blow-job that way.

"For a few weeks I didn't do anything about it, then the urge to get my prick into a woman's mouth got the better of me and I started to look round for someone. I didn't have far to look.

"I ran into this woman I'd known a few years back, and we had a drink, and I found myself telling her about the problem I had with my wife. She listened, then she smiled, and she said she couldn't understand why my wife wouldn't suck cock, as she herself loved cock sucking, and that if I'd care to go back to her flat with her she'd show me just how much she liked getting a thick prick into her mouth.

"I jumped at the chance, and we went back to her flat, where we very quickly undressed and got onto the bed. She looked at my stiff cock and a gleam of lust appeared in her eyes. She told me to stretch out on the sheets, relax, and she would give me a cock sucking that I would remember for the rest of my life.

"She moved down and the tip of her tongue flicked all over my hard balls, then that wet tongue of hers moved slowly up and down my throbbing shaft. Pretty soon my prick was harder than it had been for ages, and I was really enjoying the feel of her tongue on me.

"She then peeled my foreskin back and exposed my glans. I quivered with pleasure and anticipation, for this is what I had been craving for for months. I was about to get my cock into a woman's mouth.

"She opened her mouth and then flicked her tongue all over my exposed knob, making it all wet and sticky with her warm saliva. I then jerked and sighed with joy as she took my glans between her soft lips and started to suck.

"The suction of those lips was fantastic, and my glans started to swell up and get purple with blood. Then she took it right to the back of her mouth, and while she sucked like mad, the fingers of her right hand played with my balls. She was an expert cock sucker, and I realised just what I'd been missing all these months.

"Her head bobbed up and down and then I ejaculated a thick stream of spunk into her mouth, and that's when she had her first orgasm.

"She gasped with joy and swallowed down every last drop of my hot spunk. She sucked and slurped until my cock went very limp in my mouth. She then opened her mouth, let my cock slip out, then she told me that my sperm was the saltiest she had tasted for a very long time, and that she just couldn't understand why my wife wouldn't suck me off, especially when I had such marvellous spunk.

"Well, she sucked me off again ten minutes later, and again she swallowed down my spunk. I see her twice a week now, and we fuck and suck each other to some lovely orgasms. I like her a lot, but I do wish that my wife would suck me off, then I wouldn't have these feelings of guilt about extra marital sex."

Another woman who has been unfaithful to her husband, is Jill. But hers is a very special case, for she has not been unfaithful over a man, but over another woman. Yes, Jill had extra marital sex, but with another woman. This is what she said to us when we saw her in Leeds:

"I enjoy a very good sex life with my husband but, before I married him, I had a couple of lesbian affairs with other women.

"A few months back I got the urge to suck another woman out, so I looked up one of my old girlfriends and said that I was interested in a lesbian session. She was overjoyed, and told me to hurry round to her flat.

"I felt a little guilty about it, but that's life. I needed another woman, I needed her tongue in my cunt hole, I needed my tongue in her quim. It was just one of those things. I suppose my husband would have gone potty if he had ever found out about my yearnings.

"I went round to her flat and soon we were both stark naked on the bed, and it was wonderful to feel another woman's naked body next to my own again.

"I was dying to get to work on her cunt hole, so that's exactly what I did. I moved down between her wide open legs and sniffed at her pussy, and as the sweet scent of her juices wafted deep into my lungs, I quivered with pleasure and just the smell of her quim gave me an orgasm.

"I then licked at her very fleshy cunt lips with the tip of my tongue, and that gave her a massive climax, and it also gave me a lovely taste of her thick sweet cunt cream.

"It was what I had been dying for for ages. Don't get me wrong, I love sucking my husband off and sucking down hissperm, I also love tasting my own pussy juice. But I do so love other women's cream. Also I'd never even think about being unfaithful to my husband with another man, for he is fantastic in bed, but my bisexual instincts have a way of coming to the fore every now and then, and I'm only human, as I have said.

"Anyway, I pulled her pussy lips wide open with my fingers and looked inside her. I could see her thick juices bubbling about, and I plunged my tongue in there and began to slurp them out and drink them down just as fast as I could go.

"I sucked her out to many orgasms, and as I swallowed down that lovely fluid, I had several climaxes of my own. I then rolled over on the bed and she went down on me.

"It was wonderful to feel her

"THIS WHORE DOES ANYTHING I ASK. ONE DAY I TURNED UP AT HER FLAT WITH A HUGE BANANA IN MY HAND. I HANDED IT TO HER AND TOLD HER TO WANK HERSELF OFF WITH IT..."

flicking darting tongue dive into my quim hole. I yelled and screamed with delight and pleasure as the tip of her tongue explored every single part of my cunt hole.

"She has become my regular lover. My only fear is that my husband may find out about it. I suppose if he does then I could suggest a threesome, and that might keep his anger away."

As a matter of fact we spoke to several married women who were having bisexual, or lesbian affairs, with other women. They seemed to think that by fucking with another woman, and not another man, that they weren't really being unfaithful to their husbands.

Let us now return to the married man who is having a little bit on the side. In Birmingham we talked to Peter who has been married for five years.

Peter likes kinky sex, but his wife doesn't. We couldn't understand why he married her in the first place, but he explained that they had never made love before they got married, and his interest in way-out sex had only developed since his marriage.

His wife's refusal to experiment in sexual activities led to all sorts of problems and rows between them, and soon he found himself looking for another woman. However, he failed to find one, and he now does what several married men seem to do, he uses the services of a whore. This is what he told us about his extra marital pleasures:

"At first I just looked for another woman, but I couldn't find one, or at least I couldn't find one who would want a no strings attached relationship.

"So I found this whore. She's pretty expensive, but she does whatever I ask her. You get what you pay for with a whore. The more you pay the more you get, and they don't mind what they do as long as the money is right.

"The one I see is called Sue. She is young, about twenty five or so, very lovely, and as kinky as hell. She has very large breasts, and she likes to suck them while I watch.

"She lifts those tits of hers high in the air and then takes her nipples into her mouth one at a time and gives them a really good sucking. Now my wife also has large tits, but she has always refused to do that sort of thing.

"You see, one of my kinks is that I love to see a woman play with herself. I suppose some people would say that it isn't a kink at all, that it is perfectly natural for a man to want to see a woman wank and play with herself.

"This whore does anything I ask. One day I turned up at her flat with a huge banana in my hand. I handed it to her and told her to wank herself off with it. If I'd have done the same thing to my wife she'd have had a heart attack.

"The whore was more than willing to wank off with a banana, and she took her clothes off, stretched out on the bed, and then ran the end of the banana up and down her pouting quim lips. Pretty soon her juices were flowing down, and her cunt lips were all swollen and tingling with lust.

"She then inserted the banana into her cunt and started to wank off with it and I placed my head down there, just a few inches from her open cunt, so that I could see every single detail of what she was doing to herself with that banana.

"It hammered in and out of her cunt, and she gave herself an orgasm with it as she plunged it very deep inside her. Then she took the thing out, and this is where the really kinky part came in.

"She peeled that banana then shoved the squashy fruit back into her cunt hole, and I went down, parted her lips with my fingers, then I shoved my tongue inside her quim and slurped out the banana.

"Then she wanked herself off with her fingers, and after that I wanked off all over her bum. It was nice to see my thick white sperm clinging to the cheeks of her bum like that. I only wished that my wife would allow me to do such things to her, then I wouldn't have to go to a whore."

When we were in Newcastle we came across June, a twenty eight year old who had been married for six years. She agreed that she was a very sexy woman, and she also said that her husband was spending so much time at work that she was only getting fucked by him about once every ten days.

"She said that this wasn't enough for her, that she needed a cock inside her pussy at least once every two days. She went on to say that she had had several affairs with other men during the past six months. We asked her about these and this is what she told us:

"I don't really blame my husband for it. He does have to spend a lot of time at work. You see he owns his own business and in these days of massive inflation he has to work very hard.

"But when he gets home from work he is always too tired to fuck with me, and I do like a good fuck as often as I can get it.

"I was in a cafe having a cup of tea after doing some shopping, when this rather good looking man started to chat me up. I liked the look of him, and when he suggested that we have some sex back at his place, I jumped at the chance. I was dying for a fuck, and to be honest, even if he hadn't have been so good looking I would have gone back to his place with him.

"He gave me a drink, we talked some more, then he took me into the bedroom. We quickly undressed, and when I saw the size of his cock I new that I'd made the right choice, for that cock of his was a good ten inches long and I knew that when he sunk it deep into my cunt hole that it would give me a great deal of pleasure.

"As soon as we were on the bed, he got between my legs and fluttered his tongue about inside my tight pussy hole. That gave me a great deal of pleasure, and as his tongue went deeper and deeper, and as his lips sucked at my hard clit, I had one of the best orgasms of my life.

"Of course, I returned the compliment, I took his cock into my mouth and gave it a really good sucking. He wanted me to suck him off all the way, to take

CHERYL & LENI

COME PLAY WITH ME 2

Cheryl and Leni, featured here appear in the award winning sex film 'COME PLAY WITH ME 2' – This film won the GOLDEN ROSE award at the recent Copenhagen Sex Film Festival as the best film of the year. This film is the follow up to the controversial British sex comedy 'COME PLAY WITH ME', (this film is the longest running film in Soho). However, it is completely different from COME PLAY WITH ME, being made in Hamburg by Germany's leading blue film maker Tabu Films. It contains more sex, more explicitness, and more humour. 'COME PLAY WITH ME 2' is an exceptional film and we urge all readers to see it at the earliest oppurtunity. The pictures appearing in this set are not from the film.

SEE COME PLAY WITH ME 2 –

"THAT MAN GAVE ME A REALLY GOOD FUCKING, AND HE IS STILL MY LOVER. HE FUCKS ME AT LEAST ONCE EVERY TWO DAYS..."

his spunk into my mouth. Well, that would have been nice, but I wanted a real fucking, I wanted to get his cock into my pussy hole.

"I stretched out on the bed and he got on top of me. I was shaking with pleasure, for it had been so very long since I'd had a cock inside my quim, so long in fact that I'd almost forgotten what it felt like.

"He rubbed the lovely hard head of his glans up and down my cunt lips, and my hot juices spurted out and covered his cock. He then took a deep breath and very slowly, very slowly indeed, slid his thick prick into my tight quim tube.

"As his cock moved up inside my cunt, I had an orgasm, and then, when his swollen glans, huge swollen glans, was pressing hard against the very depths of my hole, I had an even bigger orgasm.

"I wrapped my legs round the small of his back and pulled him in so deep that his tight balls were almost inside my cunt as well, then I started to jerk my hips up and down in very rapid movements.

"He soon got the message, the message that I wanted him to fuck me as hard as he could, and he rammed his cock in and out of my cunt with the speed of an express train.

"My climaxes grew in intensity with each powerful stroke of his lovely cock. His glans felt huge, his shaft was all wet and slippery, and his balls really hammered against my cunt lips as he shafted me with all his might.

"I felt his glans expand inside me and I knew that he was very close to ejaculating, and so I squeezed hard at his shaft with the full force of my strong vaginal muscles, in fact I squeezed so hard that I almost broke his cock in half, but it did the trick.

"He gave a loud shout, his cock jerked deep inside my hot and very wet hole, and then I shouted out loud as a savage stream of lovely thick spunk jetted into my hole.

"There was so much spunk that it filled my hole right the way up and then overflowed from my swollen lips and dripped back over his balls.

"As soon as his cock had slipped out of me, I took it into my mouth and sucked at it, and I managed to coax a few more drops of sperm out of it. I loved the taste, it was what I had been after for months.

"Yes, that man gave me a really good fucking, and he is still my lover. He fucks me at least once every two days, and I aim to keep him as my lover until my husband starts to have sex with me again."

When we got back to London we spoke to Sandy, a girl of twenty eight. She had been married for eight years, and her problem was that her husband had a very good job, a job which meant he had to travel a lot, and so, for long periods of time, he was abroad.

This is what Sandy told us when we spoke to her at her very comfortable house in Wimbledon in south London:

"The first few times my husband went overseas, I behaved myself. But round about the sixth time, I started to feel very lonely. I went out to have a drink, and in the pub I met this man called John.

"At first I had no intention of going to bed with him, but like I said I was feeling lonely. He offered to give me a lift home, and I let him kiss me. He kissed very well, and this made me feel very randy, so I invited him into the house.

"Well, one thing led to another, and soon we were in the bedroom, and I didn't object in the least when he undressed me and started to kiss and suck at my breasts and nipples. In fact he sucked my tits so well that he gave me an orgasm.

"I then undressed him and we flopped down on the bed. His cock was hot and thick and sent shivers of pleasure through my body from just looking at it.

"I took it into my mouth and gave it a very good sucking, then he came inside my mouth, and as his hot sperm gurgled down my throat, I had yet another climax.

"He stayed with me all night long and fucked me seven times, and I was really happy. Since that time I've been with many men while my husband has been away on business. I've also fucked with other women. Yes, with other women.

"One woman I had a great sexual affair with was Tina. She lived a couple of streets away from me. I won't bore you with the details of how we got together, but one day I was in her bedroom and she took off her clothes. Now I'd fucked with other women, and one look at her beautiful naked body filled me with lust, and ten seconds later I was also naked, and the two of us were on the bed touching and fondling each other.

"We moved into the 69 position with her on top, and I reached up and parted her lovely fleshy cunt lips and then shoved my tongue all the way into her sticky cunt hole.

"At the same time she pushed her darting tongue into my cunt hole and started to suck me out, and for the next ten minutes we each slurped away like mad inside each other's hot cunt holes.

"I then found a candle, and I pushed it into her hole and wanked her off with it, and after she'd had about half a dozen orgasms, I pulled it out and handed it to her, and she raised it to her mouth and then very slowly sucked and licked her own hot juices from it.

DATING CONFIDENTIAL

"TALKING ABOUT OUR LOVERS ALWAYS MAKES US FEEL VERY RANDY..."

"Then she sat down on my face and I sucked her out, then she found a very large dildo from somewhere, and she gripped that thing by the hard rubber balls and very slowly slid it into my hole and wanked me off with it.

"Yes, I've had a lot of fun while my husband has been away on business. No, I don't feel guilty about it in the least, for if he didn't go away so often then I wouldn't have to fuck with other men and women to get sexual pleasure – if he stayed home more he could fuck me himself, for he has a very nice thick prick, and I wouldn't even dream of having sex on the side if he fucked me more often with it."

Of course, we talked to many, many couples who have never been unfaithful to each other, and to tell the truth, this having some on the side is more the exception than the rule, and we found that the main causes of this extra marital sex were boredom, the husband being away on business, the husband too tired after a day's work, that sort of thing.

It usually boiled down to the fact that if the husbands stayed at home a little more then the wife would be less inclined to wander; and if the wife showed a little more willingness to experiment with sexual deviations then the husband would not look outside marriage for sexual pleasure.

Tim is married to a very attractive woman, he says she is really good in bed, and yet he still goes out with other women. We asked him why, and his answer threw another aspect into the ring, so to speak. This is what he said:

"My wife and I have an open marriage, by this I mean that she takes lovers and I go out with other women. After I've fucked another woman I go home and tell her all the details, and after she has been with another man, she comes home and tells me how good he was in bed.

"This may sound very kinky, but it is nice lying in bed next to your wife and talking about the woman you have just fucked, telling her how tight the other woman's cunt hole was, that kind of thing.

"Then she tells me about the man she has fucked that evening. She tells me how big his cock was, or how small, and she tells me what she felt like when the man slipped his cock into her cunt hole, and what sort of orgasm she had.

"Talking about our lovers like that always makes us feel very randy, and usually we end up by making love to each other. Now this may sound a very funny way to conduct a marriage, but we like it. By having lovers it keeps us up to the mark, makes us more interested in sex than we would have been if we just stuck to each other for sex.

"The last girl I had was called Jean, and I really enjoyed telling my wife about it. Jean was tall, with really large firm breasts, and I loved sucking at her very stiff nipples.

"She was a great cock sucker, almost as good as my wife, and when I told my wife how Jean swallowed down every last drop of my spunk, my wife got a little jealous, and right there and then she took my cock into her mouth and sucked me off, then she too swallowed down my hot sperm."

We must admit that we came across several married couples who indulged in this sort of thing. Couples who take lovers with the approval of their respective husbands and wives. We even found some married couples who went to wife swapping parties. They seemed to enjoy this sort of life, and we have to admit that they all looked happy when we spoke to them.

However, the problem with wife swapping is that the husband, or the wife, can become very attached to the person they have swapped with, and this could, in the end, lead to the break-up of the marriage.

So something like wife swapping is not to be entered into lightly, though many people do indulge in it and have a very good time. It is, we suppose, one way of having extra marital sex without any guilt feelings.

But to get back to the 'normal' extra marital sex. We found that many women, and men, do it out of boredom, this was the biggest single factor, so if you are married, and you do not want your wife or husband to stray, then the thing to do is improve your performance in bed. For if you are an expert lover then there is less chance of your spouse searching for sex outside the marriage.

LENNIE
& KAY

Look out for LENI & KAY here in QUEEN OF THE BLUES (X), showing at the Moulin Cinema, Gt. Windmill St., Soho, London W.1 from August 7th. This is undoubtedly one of the most explicit sex films of all time, and LENI & KAY here can be seen in a glorious fuck sequence which lasts about 10 minutes, they are naked except for boots, stockings and suspender belts, and the sight of Kay's luscious, firm thighs quivering whilst she is being soundly "rumped" by her partner is enough to harden ANY cock! QUEEN OF THE BLUES should be seen.
P.S. These are NOT stills from the film.

PART THREE

In Part One of this series we looked at porn girls, in Part Two we concentrated on the massage girls. In this last article in the series we turn our attention to the girls who work for escort agencies. Some background facts: we visited three escort agencies in London, two in Leeds, and one in Birmingham. We spoke to some twenty girls.

First, let us define terms. What do we mean by escort girls? We mean girls who work for an agency, and the agency sends them out with men. On the surface these girls just have dinner or a drink with the man, in practice the girls are more than willing to sleep with their customers.

Of course, the people who run the escort agencies deny all knowledge of this. They say that their girls are booked out from eight in the evening till midnight; and what the girl does after that is her own business.

The first girl we spoke to was Carol. She was twenty five years old, tall, blonde, and had been an escort girl for two years. We asked her if she ever slept with the men she went out with, and this is what she told us:

"At first I didn't sleep with the people I went out with. I stuck to the rules. This meant that I escorted them round town, had a meal, a drink, etc., and at midnight I went home.

"Then one of the other girls told me that I was very silly. She said I could make a lot of money from sleeping with the men I went out with.

"The thing worked like this. The men paid the agency some fifty pounds or so for my company, and I got some ten quid for my trouble, with the agency keeping the other forty.

"I was quite happy just having ten pounds, well I was getting a free meal every night, wasn't I?

"Then, one evening, I was booked to go out with this man, and he picked me up in a Rolls-Royce. We went to this very posh place for dinner, and then over coffee, he looked at me and said he would give me a hundred pounds to spend the night with him.

"I could hardly believe my ears. One hundred pounds for having sex! It was a great deal of money. Also it seemed like easy work, for he was a good looking bloke, and I happened to like sex. It would be no hardship, I thought, to let him fuck me, and it would be nice to have a hundred pounds tucked away in my handbag.

"We went back to his flat, a huge penthouse flat, and he gave me the hundred pounds as soon as we stepped through the door. I then followed him into the bedrom, where he undressed me, undressed himself, and then we got onto the bed.

"I took one look at the size of his cock and shivered with delight. It was a nice stiff cock, and to think he was going to pay me that hundred quid for doing something I would have done for free, or I should say he had already paid me one hundred quid for it.

"Anyway, it seemed a very easy, and lovely way of making so much money. That girl had been right, I should have done this sort of thing a lot earlier.

"We rolled around for a little while, kissing and touching, and then he reached under the bed, produced this vibrator and asked me if I would wank myself off with it.

"I said that for a hundred quid I'd do anything he asked, and I switched the thing on then slammed it deep into my cunt hole and wanked myself off just as hard as I could go.

"He watched for some time, and then, after I'd had a lovely climax, he reached down, pulled the thing from my pussy, held it up to his face, and then sucked my juices from the shaft. It was the first time I had ever seen a man do anything like that, and the sight of him lapping up my juices from the vibrator gave me a great thrill.

"He then dived down between my legs and pushed his tongue all the way into my tight cunt. His tongue went in very deep and he slurped away like mad, drinking and sucking out what seemed like pints and pints of my hot cream.

"I really do like being sucked out, and as his tongue flicked away, as his lips sucked at my stiff clit, I had a fabulous series of intense orgasms. Yes, this was a very nice way of earning one hundred pounds!

"I then pushed him back onto the bed and licked and sucked at his cock for a little while. He tasted nice and hot and salty. Then I rolled over on my back and told him to give me a good hard fucking with that nice thick cock of his.

"He got on top of me, and he didn't waste any time in getting his lovely prick inside my tight cunt. He rammed it in very deep and then fucked me with long shafting deep strokes.

"By the time he filled my quim up with his hot sperm, I'd had lots more orgasms. As that sperm jetted into my quim I almost fainted with pleasure.

"Well, after that I slept with every single man I went out with, men who had booked me through the agency. I charged them all one hundred pounds each; and the end result is that I'm a very rich lady, and I also get all the sex I want. Yes, I'm very happy being an escort girl."

We talked to the owner of one agency, and he denied the fact that his girls slept with customers. It was obvious that he knew what was going on, but he had to watch out for the police, and this is why he denied the fact. For he could have been knocked off for running a group of whores.

This is why the girls are only booked out till midnight, why the girls are told not to sleep with the men till after midnight, that way the girls are sleeping with men in their own time, and the agency can't be held to blame.

Another girl we spoke to was Liz, a twenty eight year old with long dark hair. She had been a model, but she found that being an escort girl paid her much more money. In fact she made so much sleeping with customers that she didn't even bother to collect her ten pound fee from the agency. This is what she had to say for herself:

"I've been an escort girl for five years. I make a very good living from it, a very good living indeed. I don't always sleep with the men I go out with, men who have booked me through the agency. You see I'm so well off now that I can pick and choose. I charge them one hundred and fifty pounds to sleep with me. Now that may sound a great deal of money, but I am worth it. I give very good value for money as I reckon I'm an expert at the old sex game, and also I will do just about anything the man asks, for I'm as kinky as hell. In fact if the man doesn't want any kinky stuff then I don't go to bed with him.

"I had a great customer a couple of days back. I was in the agency's office when this man walked in. He said he wanted to book a woman for the evening. He then saw me, came over, asked me if I was free, and when he found that I was, he booked me out.

"We had a meal at the Cafe Royal, and then, over desert, he asked me just how kinky I was. I told him that would depend on the price. He smiled, said money was no object, that if I was really kinky I could name my own price.

"I put him to the test. I told him that for five hundred pounds I'd be as kinky as hell. He didn't bat an eyelid, he just pulled a great roll of notes from his pocket, handed me five hundred in twenties, then suggested we go back to my flat.

"That was the most money I've ever been paid for one evening. Mind you, I really did earn it. We undressed in my bedroom and then I asked him what he wanted me to do. He sat on the edge of the bed and gave me a list. Yes, he was kinky alright.

"First of all I had to stick a candle in my cunt hole and walk round the room with it protruding from my cunt lips. Then he stuffed a cigar in my pussy hole, lit it, and watched while I 'smoked' it with my vagina. That isn't as difficult as it sounds. I just applied suction to the cigar with my cunt muscles and smoke poured from the glowing tip.

"Then he pulled a small box of chocolates from his jacket, and we both got onto the bed. He pushed six chocolates, one after the other, into my tight hole.

"Of course, the heat inside my cunt hole soon melted the six chocolates, and a brown stream ran dribbling from my quim. He licked the melting stuff from my thighs, then he shoved his tongue into my cunt hole and sucked out the rest.

"Then he smeared my entire naked body with butter, which he then licked off. Then I had to coat his prick with whipped cream, and as I sucked that stuff from his cock with my tongue, he came, and his thick sperm gushed into my mouth. I'd never tasted whipped cream all mixed up with sperm before, but it was a really nice taste.

"Then he wanked me off with a small cucumber, then I sucked and licked at his bum. Then he masturbated me with a coke bottle. Yes, that man was kinky alright, and not once during the entire night did he ever push his cock into my cunt hole. That's what I call being real kinky."

We went into one agency in South London, and asked the girls there if they had ever been booked out by another woman. One of them, called Jane, said she was used by the agency just for that purpose. She told us she was a lesbian, and that her sole job was to go out with women who phoned up the agency.

We spoke to Jane for some time, and she told us many interesting things, about how she had got the job at the agency in the first place, what it had been like the first time she had ever been to bed with another woman,

and also about how she felt being paid for having sex with members of her own gender.

She said that getting paid for it was fun, that she made a good living. We then asked her to tell us about a typical customer she had been out with, and this is what she said to us in response to that:

"I had one last night as a matter of fact. We had a phone call at the agency here, and I went round to this house in Putney. For the caller, a woman called Kim, didn't want to go out, she wanted to get down to the nitty gritty right away.

"Well, this is a chancy job. I mean, I could have turned up at the house and found myself with a right old bag. But as it turned out I was very lucky.

"Kim was a lesbian, like myself, and it seemed that her girlfriend, her lover, was away for a couple of weeks, and she was feeling lonely.

"When she saw me standing at the door, she smiled, and invited me in. She looked me up and down and liked what she saw, and so she should have; for although I say so myself, I'm a good looking woman. I then looked her up and down and as I did so I felt my juices start to boil up inside my cunt hole, for she was one of the most beautiful women I'd ever seen in my life.

"She gave me fifty pounds and asked if that would be enough. I told her that I usually charged one hundred, but that she was so good looking that I fancied her something terrible and that fifty would be just fine.

"We were soon naked and on the bed. I gazed at her body and again my hot juices bubbled away inside my cunt hole, for her naked body was really something.

"Her tits were firm and jutting, her nipples deep red in colour and very stiff. Her skin was smooth, her legs very long, and she had so little hair round her pussy that her quim lips seemed to be pouting out all over the place.

"I just had to suck that pussy out, and so I moved down her naked body and used my fingers to pull her cunt lips wide open, then I pushed my tongue inside her tight quim and started to drink down her thick juices.

"She screamed her head off with delight and her thick cream gushed and plopped and gurgled down my throat. I then sucked at her clit for some time, and she had this amazing orgasm.

"Then she went down on me and sucked me out for some time, and then she produced something that I had never seen before, and it was something that gave me so much pleasure, so much extreme pleasure that I just about fell in love with her.

"She went over to the dressing table, opened a drawer, and took out a double shafted dildo. She pushed one of the shafts into her own cunt hole, which meant that the other shaft was sticking out from her quim, looking for all the world as if she had suddenly grown a real live prick.

"She came back to the bed and got on top of me and then drove that second shaft deep into my cunt hole. I jerked my hips up and down as she started to shaft me.

"It was an amazing implement, for it meant that every time I moved that the shaft inside her quim fucked her, and every time she moved, the shaft inside my cunt hole gave me an orgasm. It was a beautiful way to fuck, a really lovely way.

"She pulled away and I bent down and licked my own juices from the shaft sticking from her hole; then she pulled the other connecting shaft from her quim and handed it to me, and then sucked and licked her juices from it.

"I stayed with her all night, and we had a really good session. We did everything that two women can do to each other, and I do mean everything and anything. Some of the things we did were so way out that you wouldn't be able to print them even if I told you about them."

We found that on the whole, escort agencies are very expensive ways of getting sex, for not only do you have to pay a sizeable fee to the owner of the agency, but you also have to pay the girl for sleeping with you, and in some cases this can work out to a total of over two hundred pounds. For that money you could get a really high class whore.

But where escort girls do score is that they are freely available, you only have to look in your local paper to see them advertised, whereas a high class whore would need to be introduced to you by another client. Still, the money they charge at escort agencies would put them well beyond the range of the man in the street's pocket book.

However, the purpose of this investigation was not to take a moral stance, but to give you some idea of what the escort business is all about.

Another girl we spoke to while we were in Leeds, was Jill, a twenty five year old girl, very sexy looking, who said she was thinking of starting up her own agency. We asked her to tell us about a few of her sexual experiences while out at work, and this is what she said:

"I get about three bookings a week, which gives me an income of around a thousand pounds a month, and that isn't bad for just having sex with people. I like sex, like it a lot, but even if I didn't I'd still do this job, for where else could I earn such good money?

"I was with a man once who wanted me to dress up as a schoolgirl, then he slapped me with his hand on the bum. I didn't really like that sort of thing, but he paid me well.

"The other week I was with this man who just wanted to be sucked off all the time. I didn't mind that in the least, for I like sucking cock, and I like swallowing down hot sperm.

"I once had a booking from a man and wife. His name was Pete, and her name was Sally. They took me out for a meal, and then asked if I was interested in a threesome. Well, I liked the look of them, and I am bisexual, so I agreed to have a fucking session with both of them at the same time.

"First of all, Sally and I got into the 69 position and sucked each other out while Pete watched. Sally really knew how to give a tongue fuck, and as her darting tongue went ever deeper into my hole, I started to climax all over the place.

"Of course, my tongue was inside her pussy hole and I was sucking her out for all I was worth, and she had some of the sweetest tasting cunt cream I'd ever drunk down.

"Then Pete joined in. He sucked out my cunt hole while Sally sat on my face. Then Sally and I went down and sucked Pete's cock between us.

"I worked on his shaft and glans, while she worked away with her tongue on his tight balls. We slurped and sucked and licked like mad and soon a great stream of spunk shot from his knob and blasted into my mouth. I didn't swallow it all down, as I wanted Sally to share some of her husband's sperm with me.

"I leant over her face and she opened her mouth. I then allowed some of the hot spunk to drip from my lips and trickle down

into her open mouth. It was a very nice way of ending a cock sucking session.

"Sally and I then wanked each other off with a candle, and after that, when Pete was hard and stiff again, he got on top of me and drove his prick all the way into my cunt hole.

"While he was fucking me with all his might, Sally got down by the side of me and started to kiss and suck at my right nipple.

"A little later he fucked his wife, and while his thick cock was shafting in and out of her wet cunt hole, I got behind him, held his banging balls in my right hand, and rubbed the hard points of my nipples all over his heaving bum. It was a great fucking experience I can tell you."

Although the girls we spoke to tried to make out that they were merely escort girls offering some sex on the side, there was no doubt in our minds that they were first and foremost whores. Whores who had found a very easy way to make a lot of money.

That is not to say that all escort girls offer their bodies for sale. Some escort agencies are very straight, and if you book a girl through them then all you will get is a good looking woman as a companion for dinner or for the theatre.

However, the ones we saw, and the girls we spoke to, all came under the heading of sex for sale. They went out with you, figured out how much you could afford and then priced themselves accordingly.

Let's finish this article, and indeed this short series, with a few quotes from Lorna, a girl who works for a London escort agency. She is thirty, has been in the business for five years, and is thinking of retiring for good.

"Yes, I've made a good living from this business, and I'm so well off that I can afford to pick and choose who I go out with now. I charge a lot for going to bed with a man, but I reckon I'm well worth it.

"I only go out with very rich men now, men who will pay me two hundred to spend the night with them. Now you may think that two hundred quid is one hell of a lot of money for a fuck. I'd agree with you. If I were a man I'd not part with that much money just to get my cock inside some woman's cunt hole, no matter how good she was in bed. But there are some funny men about, men who are well prepared to fork out a fortune just to have a fuck; and as long as they are willing to pay that sort of bread then I am more than willing to open my legs for them.

"That isn't to say that I don't give good value. If a man beds me down then I give him a really good time. For I reckon, that after five years in the business, I'm a real expert at the sexual act.

"I always take them back to my flat, for there I have all my sexual implements. I have a huge collection of dildos and vibrators and costumes. That sort of thing. I use them all on myself.

"My favourite trick, one that really turns the men on, is to trap their cocks between my ripe tits and to wank them off so that the sperm shoots all over my breasts. I then lift my breasts up with my fingers and use my tongue to lick up the sperm.

"I was once booked out by three men at the same time, and I charged a hefty fee for that, I can tell you. Mind you, I really enjoyed myself that night. I was fucked by three men one after the other and that was great fun. At one stage I had a cock in my mouth, another one in my cunt hole, and the third one in my right hand. All three men came at the same time.

"I had a flood of spunk in my mouth, another huge shooting flood of it inside my cunt hole, and yet another showering gushing load all over my fingers.

"Yes, I've done just about everything in the escort business. I've been to an orgy, dealt with five men at once, even been out at a lesbian gang bang, with me being fucked by two vibrators at the same time; and I'll leave it to your imagination to figure out which two holes in my body those two buzzing sticks went into.

"I suppose some people would call me a whore, and I suppose they would be right, for I do sell my body, sell my cunt hole, for money. But if I didn't do it there would be hundreds of other women willing to take my place. Anyway, as long as there are randy men in the world then there will be a job for someone like me. Do I like my job? Yes, of course I do. You see I'm a bit of a nympho, and working as an escort girl means that I get paid for having cocks inside my cunt. If the truth was known, I'd pay men for having them fuck me. So I've got the best of both worlds."

We hope that this series has shown you something about the attitude and life styles of women who work in the sex industry.

If you are thinking of using any of these girls then we would suggest that for value for money, for sex without frills, but at a reasonable price, then you should go to a massage parlour, for in our opinion, escort girls charge just a little bit too much for their services.

LIFE

Life is a queer thing is it not, we start as tiny babies, grow to man or womanhood and then shortly before it ends we revert back to being children, have you ever noticed how childish most old people get, they dribble their food down their clothes, they either piss or shit themselves and they start thinking that everyone is against them. But the thought that often crosses my mind is how these girls get their own back on us males during childhood we won't let them play with us, we buggered off on our own either fishing, playing football or maybe even fighting, we told the little girls who wanted to come with us that the game is much too rough for them, what did they do, they howled, but in the back of their minds must have been a lurking thought, "I'll get even with that bastard one of these days you just see if I don't," and by heaven haven't they.

Take the case of Jeannie and myself, we lived next door to each other for years, we played together when my mates were busy elsewhere and I had to, like the rest of them hurt her at times by telling her to piss off or words to that effect, I would pull her pigtails, shout at her and refuse to accompany her to school, what a big man I was, then suddenly Jeannie was not a little girl any more, her pigtails had gone and now her hair hung in waves, she wore lipstick and silk stockings, she no longer dashed along the street, she walked sedately and although I hadn't quite realised it I too was growing up, I had found out quite a while ago that the thing I had only used for pissing out of was now beginning to go hard if I moved my fingers up and down it, I soon found out what a pleasure it was to have a girl do it for me.

I got a job and after finding out that I had my own money in my pocket I began to plan ahead. Jeannie was good company, she would still laugh and joke with me although the easy going camaradie was gone, we were a little stilted in our talk together, no longer would she do handstands against the wall to show off her school knickers, in fact I watched her clothes line take on a more interesting sight, flimsy bras, thin panties and tiny girdles were all on show and I have many a time sat looking out of my window next door trying to visualise what she would look like now without her clothes on. I would sit with my cock in my hand and dream of pulling down those flimsy panties but this time I would not pull them down and spit on her long and narrow slit, at least, not with my mouth, and this is where she got her own back on me for all my thoughtlessness so many years ago. I would ask for a date, she would say yes and then I would see her hurrying off down the street with another girl, how she made me suffer and how she must have enjoyed it for even after I had remonstrated with her for breaking our date she would smile and say: "Why, didn't you go with your friends."

Suddenly it seemed that we were going steady, everyone said that we would make a charming couple, you know the old bullshit they all say when a boy and a girl are seen together a few times and up until then I hadn't even got my fingers wet.

Mind you I had found a very friendly barmaid who had shown me all about life, we had met when she finished work late at night, her breath smelt of spirits and her teeth weren't too good but who was going to look a gift horse in the mouth. She must have fancied a virgin for a change for what that girl didn't know about fucking could have been written on the back of a stamp, the first thing I found out that she was so liberated that not only had she burnt her bra she had burnt her pants as well.

There was no finesse about her, she grabbed my hand and put it straight up her skirt and for the first time in my young life I found my fingers sliding into an experienced cunt, and just about that time I found my prick in her hand and I still don't know who got it out. Some seconds later found her wiping down her skirt. "You bloody idiot," she said. "Why didn't you shoot it somewhere else, this skirt will have to go to the cleaners now."

However she was patient, her fingers brought me back to some sort of hardness but it wasn't good enough for her and there in the car park behind the pub she went on her knees and I shook with excitement for her mouth had closed around my virgin prick, I thought that I was going blind with the feelings she gave me as she sucked hard on me, then her tongue got going, up and down my prick, around my balls and soon I was ready for coming again, but this time she was more wary, she looked up at me still holding onto my hard shaft. "Don't you dare," she said but she was smiling again with triumph.

All I expected that night was a knee trembler but it turned out much different for as soon as she got me ready for action she said softly: "You're not in a hurry, are you? My husband is out of town for a few days, come with me and we'll be much more comfortable than out in this wind." I followed like a lamb to the slaughter.

They had a flat and I heard someone snoring in the next room, I hesitated but she pulled

"PULLING ME TOWARDS THE BED SHE FINALLY LET GO OF ME AND LAY BACK ON THE COVER HER LEGS WERE WIDE APART AND I COULD SEE EVERY BIT OF HER WET CUNT..."

me to her.

"Don't be silly, it is only the kid," she said, and she began to undress me. I stood there feeling foolish as eventually she managed to get my pants down my rearing shaft and after giving it a little kiss she undressed herself. I couldn't have told you what was in that room for my eyes were upon her all the time, and when eventually she stepped out of her skirt I was speechless, the bush of hair around her slot was wringing wet almost as though she had pissed herself and then I looked into her eyes, she looked for all the world like a mad woman for they gleamed in her face like twin moons, she moved closer and I tried to step back but it was no good.

I had what she wanted and by heaven she was going to get it and once more I felt as though I was her puppet. Her hands went straight down for my prick once more and again I felt my juices building up. I tried to get hold of one of her tits but she held me at arm's length.

"Not yet sonny boy," she said. "There's plenty of time for those afterwards."

Pulling me towards the bed she finally let go of me and lay back on the cover her legs were wide apart and I could see every bit of her wet cunt.

"Come on, kiss it," she commanded and like a dummy I went down on my knees, I couldn't help but wrinkle my nose at the scent that came from her, but since then I have come to like it, however, somehow I did manage to put my mouth over her hole and then instinctively my tongue went inside. I could have been sick at first and yet after a while it became so pleasant that she had to drag me by the hair to get me free.

"You'll kill me," she said when at last her hips had stopped gyrating.

It was then that the real test began, would I shoot straight away again as soon as I put my prick into that sweet hole I feared the worst, but I needn't have worried for no sooner had she placed me in position between her legs than she held me tight with her cunt muscles, I thought that my heart would burst the minute I felt her hot flesh close around my throbbing knob, she let me move when she wanted me to and she then showed me which way to please a girl.

"Not too fast," she would say as she pushed me away. "Take it easy, there's plenty more of it yet, there, that's right, nice easy strokes, steady on. No, don't let is slide out again, up a bit, ah that's better, now you lie still and let me do all the work." And by the time I had come twice more I thought that I was the greatest lover of all time Don Juan was a fucking novice compared to me.

The next night I had a date with Jeannie and strangely enough she seemed to sense a difference in me. "You've grown up since I saw you last, what have you been doing?"

Now how could I tell her what the difference was, I couldn't say that I had been deflowered or whatever they call it when a bloke had dipped his wick for the very first time, but I was full of confidence now, this poor kid had never had a man inside her, or had she? How was I to know, there was only one way to find out and I took the plunge. We went to the flicks and to my great astonishment she made no demur as I slid my hand down the front of her blouse, her tit was warm and firm, not like the flabby one I had so lovingly handled only a few hours ago. I felt my prick coming up to attention once more and I took the bull between the horns. It was my turn to grab a hand and place it where I wanted it to be, but Jeannie pulled it away as though she had been stung. I put it back and this game carried on until I was just about ready for coming in my pants then at last she weakened and she just let it lie there. I squeezed her tiny nipple gently and I felt her squirm a little, but she still let my hand stay there and greatly daring I unzipped my fly and pushed her hand right inside my pants, again she just let it lie there and it was just before the lights went up that she gave it a gentle squeeze, that was good enough for me, she had recognised my masculinity.

My folks had gone out and I wheeled her in for a drink of coffee, she must have known what was in my mind for her face was pale as we shut the door behind us and she spoke in a whisper: "I won't let you, you know," as though I had asked her to undress already, but I smiled to myself, she had come in willingly knowing full well that we would be alone and after what had happened in the flicks she knew damned well what was in the wind.

She was seated in an armchair when I made my move and kneeling in front of her so that she couldn't escape I gently unfastened the buttons of her blouse, her eyes stared at me and I saw a nervous twitch to her mouth, I stopped it simply by kissing her, but not as a little boy any more, this was a demanding kiss and well she knew it.

Her bra slid down from her

"SHE MADE NO MOVE TO RESIST WHEN I GENTLY SLID HER PANTIES DOWN AND IN FACT MOVED CLOSER SO THAT I COULD PUT MY FINGERS BACK INSIDE HER..."

shoulders and I stared in wonder at the creaminess of her twin mounds, the nipples already were hard and I took first one in my mouth and then the other, then while I was doing that I slid my hand into the depths of her skirt, it was then she protested: "Stop it, someone will come in and see us."

I grinned, if that was all that she was worrying about I would soon put that right.

"They won't be back for hours as dad is taking Aunt Betty home, and I know that she will insist on cooking a supper for them, the club is not even shut yet so we have plenty of time."

I was past the first barrier, her panties slid to one side easily enough and she jumped a little as my now experienced finger slid into her tight little slot, she made a mew of protest but it was too late, I was there and I could think back to this night and say that this was the first time I had ever touched her down there. I smiled, she was getting wetter by the minute and was even now widening her legs as though in open invitation and taking advantage of the fact I slid another finger alongside the other and remembering what my tutor had taught me I opened them inside her, she was almost in tears.

"You mustn't," she kept whispering but all the time her body was betraying her for she was pushing her cunt nearer still, she was as slippery as an eel by now and I knew that this was the time I had been waiting for, she just couldn't resist me.

Still holding my fingers inside her I struggled to my feet, my belt came undone and down came my pants, and I grinned as she closed her eyes for looming in front of her was my thick jerking prick. Her eyes were still closed as I pulled her to her feet, my hand was still up her skirt as I unfastened the zip and soon her skirt was on top of my pants. She made no move to resist when I gently slid her panties down and in fact moved closer so that I could put my fingers back inside her. I then led her to the big couch and pushing her gently back I gazed down at her. Was this that young girl I used to tease so unmercifully? Surely not, the bush of hair at her thighs was no stranger to me now and as I pulled her legs even wider I looked down at what had been once a tight little crack.

Two thick red lips looked back at me and I could see what looked to be a globule of foam at the very entrance to her body, and following my tutors instructions I knelt and placed my face deep into her bush, she jumped again and cried piteously, but I knew that it was only a token resistance, she wanted me as much as I wanted her, her told me that. God, she was tight when finally I lay on top of her, my prick tried to force its own way into her and she pushed me back saying that I was hurting her, but soon she was holding me around the waist as eventually I slid the knob just inside, and then it was easy, I went in gently at first and then as my passions grew so my strokes got longer and longer, she gave one scream and then cried quietly but still she held me tight.

It didn't last long for she felt me ready for coming and then she told me that she was not on the pill. "Don't let it come into me," she cried out as she felt me gasping, but it was too late, I just let fly and she had the lot.

That was the first time and we both sweated cobs for the next month and then one look at her shining face one day told me that everything was alright, but just to be on the safe side she made me use a rubber after that. On yes, she let me have it now and again, but only when it suited her, you see now why I say the girls get their own back later on in life.

If any man tells you that he can have it whenever he likes, you tell him he is a bloody liar, that is of course if he has put a ring on her finger, you see these girls have long memories.

DUSTMAN'S DELIGHT

Some people think that dustmen just hump dustbins all day long. However every now and then these refuse collectors have their moments. A few days ago a local dustman walked into our office and told us the most incredible story. It was so good that we took down everything he said and decided to publish it. We don't know if it is true or not, you'll have to make up your own minds on that, but true or false it makes very interesting reading.

We were working down a street in East Ham. It was the last street of the day and as usual my muscles were aching and I was ponging like a shit house.

Well, I was just about to pick up this dustbin outside this house and lug it over to the cart when the door opened and this woman came out.

"Hold on," she said. "I've forgotten something," and with that she whipped off the dustbin lid and plonked a brown carrier bag into the bin.

Nothing unusual in that you might say. Plenty of women rush out and bung something in the bin just as we're about to cart it away. Well, you'd be right, except for one thing. This particular woman was wearing a dressing gown and as she leant over the bin the front of the gown opened up and out plopped her naked breasts.

Nice tits they were as well, all heavy and firm and tipped with pale pink nipples. She was a good looking bird, long blonde hair, a lovely face, and with the sort of mouth that was just made for sucking cock.

She didn't look in the least bit embarrassed that her tits were falling out. She just smiled at me. I looked back at her, and then she licked her lips.

I had to say something, so as I hoisted the dustbin on my back I said: "Nice pair you've got there, lady."

She smiled again, looked at me very carefully, then she said: "You're a good looker yourself. When do you finish work?"

"About half an hour," I replied.

"Well, go home, have a shower, get into some decent clothes and then come back and see me," she said. "I rather fancy some fun and games with you." With that she walked back into the house and closed the door behind her.

Well, at the end of the shift I went home and had a shower. I thought that the bird was pulling my leg, that when I got there she'd just laugh and slam the door in my face. But then again she might not. Well, you can't afford to turn down a chance like that, can you? However slim the chance might be.

So I put my best suit on, got into my car, and went round to the woman's house. I knocked on the door and a few seconds later she opened it. She was still wearing the dressing gown.

"I'm glad you came back," she said. "Come in."

"You weren't joking then?" I asked, as I stepped into the hallway.

"I never joke about sex," she replied. She shut the door and took me through into the lounge. She poured me a large whisky, and as I sat down in the armchair, she said: "My name is Jean. My husband has been away in the States on business for the last couple of weeks and I'm really frustrated, and this morning I promised myself that the

first good looking man I saw would be the man I would fuck with. You are that man."

I gulped my whisky down as fast as I could. I still could hardly believe my luck, but I wasn't going to argue about it. If she wanted a good fucking then I was just the man to give it to her, no doubt about that.

"Let's go into the bedroom," she said, and she stood up and took me into this large room, and right in the middle of the room was this huge bed with black silk sheets. Talk about a love nest. There was even a mirror on the ceiling.

I went to pull her to me but she shook her head and stepped away. "We fuck on my terms," she whispered. "I like to give a little show before I fuck. I like to play with myself while a man watches me. So why don't you undress and just sit on the bed and then watch what I'm going to do with myself?"

I nodded and took off my clothes. Well, I mean, if this bird wanted to wank herself off in front of me then that was fine by me. I like a little wanking exhibition every now and then.

I sat down on the edge of the bed and my prick was already stiff and throbbing, and she looked at it and a glimmer of lust appeared in her eyes. She obviously liked the look of my cock, and so she should have, for my cock is a good ten inches long and very thick.

She then took off her dressing gown and I gasped out loud when I saw her naked body. Now I've seen some good looking women in my time, but she was one of the best. I've already told you what her breasts looked like, now let me tell you about the rest of her body.

Her skin was soft and smooth and gleaming with health, her legs were so long they seemed to go all the way up to her armpits, her waist was slim, her bum was nicely rounded, but it was her pussy which really caught my attention and made my cock jerk like mad.

You see she had shaved off all her pubic hair. Now I've often seen shaven cunt holes in photographs but this was the first one I'd ever seen in the flesh, so to speak, and that naked cunt of hers was a really erotic sight.

The lips were a delicate pink in colour and all fleshy and pouting. Just looking at that wonderful cunt of hers made my prick buck like crazy and I had to use every last bit of my self control to stop myself from coming on the spot. Yes, a great looking cunt.

"Just relax and watch," she whispered. She started to run her fingers all over her naked body, and she paid particular attention to her breasts, and soon her nipples were stiff and throbbing.

She smiled at me and said: "Have you ever seen a woman sucking at her own tits?"

I shook my head. "I've seen photographs of it of course," I told her, "but I've never watched a woman doing it for real."

"Then you're in for a real treat," she replied, and she placed both her hands under her right breast and then lifted it up just as far as it would go, and this meant that her nipple was sticking right the way up in the air. She smiled at me then she lowered her head and opened her mouth and a few seconds later she was licking at her nipple with the tip of her tongue.

It was an incredible sight, but more was to come. She coated her nipple with her sticky saliva then she lowered her head right the way down and took her nipple all the way into her mouth and started to suck at it.

I gasped at the way she slurped, I gasped at the way she sucked, for she was putting everything she had into it. I glanced down at her cunt then and it was obvious that sucking on her own tit was turning her on as little drops of thick looking cunt cream were now dribbling from her fleshy folds.

She sucked away at her tit for some time, then she let the nipple slip from her mouth and I watched as that firm ripe breast of hers bounced slowly back into place.

She then pulled up a chair next to the bed and opened up her long legs. I guessed that she was now going to wank herself off and this I didn't want to miss, so I leant forward so that my face was only a few feet away from her pussy, her lovely shaven pussy hole.

She winked at me and then moved her hands down her naked body and then used the tips of her fingers to pull her cunt lips wide open, and I do mean wide open. They were so far apart that the skin on either side was stretched tight and taut.

I looked inside her hole and saw masses of wet sticky flesh and bubbling cunt juices, and my prick throbbed and jerked again and again.

She pushed three fingers of her right hand into her gaping pussy hole and started to wank herself off. Those fingers plunged in and out, she probed very deep, and her juices spurted out all over the place.

She started to writhe and throb and vibrate as orgasms powered through her naked flesh, but she still kept those fingers slamming in and out of her tight looking hole.

She shouted loud and long as another massive climax ripped through her, and then she pulled her fingers out from her quim and in one very quick movement she popped those sticky fingers of hers into her mouth and then sucked them dry. Yes, that's right, she sucked her own cunt cream from her fingers. She liked the taste as well, you could tell that from the look in her eyes.

"Do we get to fuck now?" I asked her.

She stood up from the chair and flopped down on the bed and she shook her head and said: "No, we'll fuck later. I want something else first."

"You name it and you've got it," I said.

"I want you to wank off all over my face," she breathed. "I want you to take your prick in your right hand and work it hard so that all your spunk jets out over my face. Will you do that for me?"

"I'll do anything," I replied. That was the truth. This bird was so sexy I would have done anything she asked.

She stretched out on the sheets, her firm breasts jutting up in the air, her nipples tense and throbbing, her cunt lips wide open with thick streams of juice trickling out and soaking into the sheets. I was dying to get my tongue or cock, or both, into her cunt, but if the lady wanted me to wank off over her face then that was what the lady was going to get, and how!

I knelt by the side of her head and took my prick in my right hand and pointed my swollen glans right between her eyes, and my knob was no more than three inches from that lovely face of hers.

She looked at my cock and sighed with pleasure, she said that having a man wank off over her face was one of the joys of her life, and with that she reached up with her left hand and curled her fingers round my balls.

I started to work my foreskin backwards and forwards keeping my prick pointing at her face all the time. I was so worked up that I knew I wouldn't last for very long, but that didn't matter, for we both wanted to see my sperm going over her face as quickly as possible.

It took three minutes of wanking off and then it happened. My prick jerked, my balls went tight, and then the slit in my glans opened right the way up, and a second later a thick stream of spunk was showering out all over her face.

She shouted with lust as that spunk of mine splattered down all over her face. It was in her hair, in her eyes, dripping from her nose, trickling from her chin, and cascading down her cheeks, and as that sperm shot all over her face she was having multiple orgasms and her thick cunt cream was coming out of her hole like a waterfall.

I pulled at my cock till I was drained dry and then I moved down a little and wiped a few odd drops of sperm from my glans onto her tits. One drop of spunk was sticking to her erect right nipple, and very nice it looked there as well.

She waited till her orgasms had stopped then she used the index finger of her right hand and wiped some of the sperm from her nose, then she placed that finger in her mouth and sucked it dry.

As she swallowed down that sperm she shuddered all over, and then she told me that I had very nice tasting spunk. I smiled at her and I used a finger to wipe some of my sperm from her right eyelid, and then she took my finger inside her mouth and sucked it dry.

Between us we did this over and over again till there wasn't a single drop of sperm left on her face. Then I told her that I was going to suck out her cunt hole, as I now wanted to find out what she tasted like.

She smiled, opened her legs right the way up and told me to help myself, and that is just what I did. I dived down between her long legs and then used my fingers to spread her fleshy vaginal lips wide open, and as I did that a great spurting shower of hot cream splashed out all over my face. She was, without doubt, the juiciest woman I had ever come across.

I licked some of her juices from my lips and found that she tasted very nice indeed, sort of salty and musky and sweet all at the same time. Just the way a woman should taste in my opinion.

I used my fingers again and parted the fleshy folds of skin at the top, and just inside her labia her little clit popped out into view.

Well, it wasn't that little to tell the truth, in fact it was the biggest clit I'd ever seen in my life, and you can take my word for it that I've seen quite a few in my time.

It must have been half an inch long and as thick as my little finger. It looked lovely, all hard and sticky and throbbing. I flicked at it with my tongue, and she screamed out so loud the bed seemed to vibrate. It was pretty obvious that her clit was very sensitive indeed.

I took it between my lips and sucked on it, and she went crazy with delight, and she called out for me to suck as hard as I could. I did just that, and as I sucked her clit her juices streamed out all over my face.

"Suck out my hole," she gasped, her fingers clawing at the back of my head. "Push your tongue all the way in and suck me out. Lick the end of my hole, shove your finger up my bum, do anything you like, but push your tongue into my cunt hole just as far as it will go."

I took a deep breath and then I pushed my tongue in, pushed it in as far as I could get it, pushed it in till my lips were pressed hard against her soft shaven vaginal folds, then I flicked my tongue about all over the inner most depths of her quim tube.

She wailed, she screamed, she yelled, she jerked and she screamed as a glorious climax ripped through her, and those juices of hers boiled up like a geyser.

Then she pulled away from me and she reached under the pillow and produced a penis-shaped candle, and in one very swift movement she plunged that thing all the way into her cunt hole and started to wank herself off for all she was worth.

I watched that candle hammering in and out of her cunt hole for a few seconds and then I moved round to her side and began to suck and lick at her left breast. I then leant over and sucked at her right breast, and then I used my hands and squeezed those tits together so that her nipples jutted out even more.

I squeezed her tits harder together and her breasts were so large that those nipples just about touched each other, and I leant my face over them and was able to get both of those stiff buds into my mouth at the same time.

It was a great scene, there she was wanking off with a candle, and there I was with both of her nipples inside my mouth at the same time. I sucked hard and long, and she had so many orgasms that I lost count.

I pulled my head away from those wonderful tits of hers and she pulled the candle from her cunt hole at the same time. She then raised the candle to her face and used her tongue to lap up all of her own thick cunt cream from that wax shaft.

"Now let's get that cock of yours hard again so I can have it inside my cunt hole," she whispered, and she moved down my body and the tip of her tongue started to flick up and down my shaft and her fingers played with my balls.

She was so good with her mouth and tongue that it wasn't very long before my prick was hard and stiff and ready for action.

"How do you want to be fucked?" I asked her.

"Me on top," she said. "I like bouncing up and down on a stiff cock, and yours is the stiffest I've seen for a long time."

"What would your husband say if he saw you now?" I asked.

"He'd kill me," she said. "But don't worry, he isn't due back for another few days."

I stretched out on the sheets, my prick sticking up in the air, and she crouched down over it and she used her hands to pull her cunt lips wide open. Then she lowered herself down so that the fleshy folds of her shaven cunt lips were just touching my cock.

Then she wriggled her hips about and those quim lips brushed back and forth over my glans and it wasn't long before my knob was sticky with her cream.

She then pulled her fingers away from her cunt hole and then in one very swift movement she lowered herself down onto my shaft, right the way down till she was sitting in my lap with my cock all the way up inside her wet pussy.

I could feel her ribbed fleshy cunt walls rasping against my shaft, I could feel her juices bubbling up, I could feel her clit hard against my throbbing flesh. It was a great cunt hole to be inside, one of the best I'd ever had my prick in.

Some cunts are better than others, and this was the best, all tight and hot and wet and sticky. It was the sort of cunt you could have stayed inside for hours on end.

She just sat there for a little while enjoying the feel of my cock inside her cunt hole. Yes, she was enjoying it all right, you could tell that from the look on her face and from the way her tits were heaving as she panted for breath.

Then she lifted herself up so that my glans was only just inside her hole, and she held that position for a little while and then she slammed back down again just as hard as she could go.

My glans powered up, right to the very limits of her hole, and she screamed loud and long, and her nipples became so stiff they looked as if they were going to explode at any second.

I reached up with my hands and used my fingers on those lovely ripe tits of hers, and as I pulled and tweaked at her nipples, she quivered and shook and then started to bounce up and down on my stiff cock like the clappers.

Up and down she went, her cunt juices slurping round my shaft, her vaginal lips sucking at my glans, her tight hole clamping and squeezing at my prick. It was a wonderful sensation, it felt as if my prick was being turned inside out.

Her eyes were closed, her mouth was wide open and her hands were clasping my hands as I fondled her jiggling breasts. I started to jerk my hips up and down and I managed to drive my cock even deeper into her quim tube.

I tried to last out as long as possible, but the suction from inside her hole was so intense that it was impossible to keep going for very long, but while that fuck lasted it was one of the best, one of the very best.

My spunk blasted up into her hole, and she had the biggest orgasm I've ever seen any woman have. Every muscle in her body could be seen taut under her smooth skin, and her cunt walls clamped down so hard they almost snapped my prick in half.

She waited till I was pumped empty then she rolled from me and then I was really amazed to see her get off the bed and rush into the bathroom.

I jumped off the bed and followed her and when I stepped into the bathroom I saw that she was crouched down in front of a full length mirror. She then used her fingers and pulled her cunt lips wide open and this meant that my sperm dripped from her cunt hole and went showering down onto the floor.

"I love to see spunk coming out of my pussy," she said, as I walked up to her. "Come to that I love seeing spunk doing anything. I hope you've got some more left inside that wonderful cock of yours."

"Just give me ten minutes or so and I'll be ready to fuck you again," I told her.

"That's enough time for a shower," she said. "Come on, you can use the soap and wash the rest of your spunk out of my cunt hole."

We got under the shower and I did as she asked, and then she washed my cock for me. Being under that streaming hot water seemed to really turn her on, and she started

EROTIC FILM REVIEW

AFTER A THREE YEAR WAIT IT'S HERE! The follow up to the VERY CONTROVERSIAL MOVIE 'COME PLAY WITH ME' –The film which made MARY MILLINGTON A STAR!

No British studio or crew would make this film – as it was too strong for them and the result was that it was made in HAMBURG, by the makers of TABOO Films. Films as expicit as 'COME PLAY WITH ME 2' normally only show in Cinema Clubs, but this film offers blue movie fans a chance to see a really hot film at normal public cinemas where there is no waiting or membership problems.

'COME PLAY WITH ME 2' – is very acceptable – the scenes are explicit and sexy, not just crude. Additionally the sex is put across in the humorous manner – as a result it's a sex film YOU CAN take your wife or girlfriend to. Make sure you DON'T miss out on 'COME PLAY WITH ME 2'. This film will NOT be shown at every cinema in the country – SO make sure you travel to see it when it's showing in your AREA, as it probably won't be shown at your 'local' cinema.

These stills are from the orginal, uncut version of the film – Certain stills maybe cut for U.K. screening

IN THE UPPER BRACKET

We met these two birds you see. And what a night that turned out to be. But I suppose I'd better start at the beginning and it began when Sandy, that's my mate, got two tickets for the Purple Troglodytes Concert way out in some new town called Billerickets – or something like that. He's a Purple Trog fan is Sandy, and he goes in for the real heavy beat and underground music scene. He's really into it. Thinks the Pink Floyd are lightweight. So we had to go right out to this new town and that meant travelling by Tube to Stratford and then getting on a British Railways chunter that stopped at every station. I'd never been that way before and I think they must run about the only train service where the platforms move faster than the trains.

BY CHUCK DRISCOLL

We stood on Stratford station while they cheerfully cancelled about three trains in succession and Sandy was going mad because it looked like we'd never get to the concert. I am not going to waste time describing the journey. Scenery and stuff isn't in my line anyway. The point is that the trains were really old and the usual ignorant bastards had scribbled the usual stuff on the walls, either dead crude or political. We sat in one of those small, single compartments and half the seats had been ripped up by hooligans, and someone had been busy drilling holes through the walls, though I couldn't for the life of me see why because all you could see was the next flip-pin' compartment and that was empty all the way to Billyricketts anyway.

We got to the Civic Centre where the Purple Trogs were playing, and immersed ourselves happily enough in the packed auditorium and the Trogs came on the stage and did their gig while the breathing got heavier and heavier all around us. You know what it's like. We were jammed together like sardines, but, if any sardine could have seen us they'd have been laughing because at least they've got oil.

That's when we met these two wierdo birds. They was jammed against us so tight we might almost as well have been married.

Punks by the looks of 'em. One had her hair done in purple and green spikes, while the other had dyed it silver with black streaks of lightning. I can't say whether either of 'em was good lookin' because they wore masks. It was make up really, but purple eye shadow and gold and silver paint on their cheeks and one had black lips and the other had green. They both wore earrings, and obviously, like me and Sandy, they was mates and had come to the gig together.

Both were Purple Trog fanatics, and they wriggled and jiggled, and screamed and were getting sexed up something torrid.

I like that.

So does Sandy.

Chatting 'em up was dead easy.

Marlene was the small one and Diana was the tall one. She wasn't yer average bean pole mind you, but I call her tall because she towered over little Marlene, and had a somewhat wider range of words. Marlene chewed gum, smoked pot and couldn't say much beyond "Yeah – Great – I'm into it man."

They both had come into William Rickets by the same

ADULT ENTERTAINMENT IN LONDON

Once again we take our annual look at the best in adult entertainment in London. At this time of the year so many of our readers come to London and we are inundated with requests for details of the best places to visit; for this reason we run this feature in the magazine this month. Undoubtably the best value for money is to be found at both public cinemas and cinema clubs.

CINEMAS

London has the widest selection of adult movies on show of any city in Europe. These films range from the very bad to the superb. The laws of libel prevent us from giving you the bad ones here, so we only look at the best around:

1. COME PLAY WITH ME 2

No praise can be high enough to describe this superb German Film, but made in English. Its the controversial follow up to the film which made Mary Millington a star 'Come Play With Me.' This film is a superb sexy comedy and it recently won the Golden Rose Award at the Copenhagen sex film Festival. The story revolves around 3 sexy young women who run a 'house of pleasure.' This is a class sex film – the quality of '10', but a lot sexier, yet just as funny. If you see no other film this year we urge you to see this one.

This film is showing in London at the Moulin Cinema, Gt. Windmill St. Soho from 31st July. Manchester Cameo, 3rd Aug. Carlisle Studio, 17th Aug. Glasgow Classic Grand, 24th Aug. Edinburgh Classic, 24th Aug. Newcastle Studio, 24th Aug. Blackpool Studio, 28th Aug. Leeds Plaza, 7th Sept. Stockport Classic, 14th Sept. Sheffield Classic, 14th Sept. Rotherham Classic, 14th Sept. Bristol Studio, 23rd Oct.

2. DESIRES WITHIN YOUNG GIRLS

Almost as good as Come Play With Me 2 – but not quite! Very explicit humour that will appeal to people who like the Benny Hill Show – but like it visually stronger! The story revolves around a sexy American housewife – the sensational Georgina Spelvin (The star of the Devil Within Miss Jones) and her two sexy daughters. The sexcapades is enough to make even the most ardent cinema club member blush! This film has never before been shown outside the Soho cinema clubs. BUT Now its showing: LONDON: Exclusively at Eros Cinema, Piccadilly Circus; from August 7th and from August 3rd at these cinemas:

Blackpool Studio, 31st July. Glasgow Classic, 3rd Aug. Leeds Plaza, 3rd Aug. Sheffield Studio, 3rd Aug. Bradford Cine, 3rd Aug. Rotherham Classic, 3rd Aug. Liverpool Studio 3, 3rd Aug. Manchester Studio 2, 3rd Aug. Stockport Classic, 3rd Aug. Newcastle Studio, 3rd Aug. Edinburgh Classic, 4th Aug. Bristol Studio 2, 7th Aug. Bath Gemini, 10th Aug. Newport Studio, 24th Aug. Carlisle Studio, 31st Aug.

3. MARY MILLINGTON'S TRUE BLUE CONFESSIONS

No release dates are known on this film at the time of going to press. However, we feel that it should be mentioned here as it represents something very special and dear to the publishers of this magazine and we hope you. The death of Mary was a real tragedy from which we have still not recovered – she was still on the up and she was beginning to receive the international acclaim that she deserved. Without doubt, had she lived a few years longer, she'd have been recognised as the greatest sex symbol this country ever produced. This film features a lot of previously unreleased material including sequences from her early blue films. In addition it gives details of her secret affairs with Disc Jockeys, International Film Stars, Politicians and Union Leaders. The film also explains so much of the mystery surrounding her death. HOWEVER we would point out to readers that this film is an ADULT movie in every meaning of the word and readers who are easily shocked or offended might be better to give this film a miss. However, for readers who are true Mary Millington fans, or simply if you like explict sex – DON'T miss this film.

These are the best three films currently showing in London or about to be shown. Other films that have completed their London run, and are now showing around the provinces, which are worthwhile seeing are:

1. VIOLATION OF THE BITCH + PLAYBIRDS – A great double bill.
2. QUEEN OF THE BLUES + MASSAGE GIRLS IN BANGKOK. – A great double bill.

CINEMA CLUBS

There are now four really good cinema clubs in London that continually show hard-core material where you are absolutely assured of seeing the real thing. If your desires in films is pure explicitness, then these places cater for you!

ASTRAL, 7 Brewer St., (Corner with Rupert St), Soho – the 'Rolls Royce' of Cinema clubs – two cinemas, with 400 seats. Completely modernised to the highest possible West End standard. This club shows exclusively 35mm and 70mm films – not the usual 16mm and 8mm, but programmes still change weekly. The finest cinema club in the U.K.

If you've been to seedy, small, basement cinema clubs in the past – then give this superb new club a try – you won't regret it!

EXCITING CINEMA, 18 Greek St, Soho – London's original Cinema club, and still the best – always goes that bit further than other clubs. Nothing is too strong for the Exciting – occasional live shows and Stag Nights for members.

SWEDISH PARADISE, 24 Brewer St, Soho – very smart little club, specialising in Swedish films.

CONTINENTAL BLUE FILM & VIDEO CLUB, 32 Old Compton St. A superb cinema club again specialising in the more unusual films.

We as a magazine guarantee you that all these four clubs are showing 100% hard core material – if you don't see what we guarantee, write to us and we'll give you your money back!

The Cinemas and Cinema Clubs are the best value for money entertainment in London and they often offer facilities that are not available outside of central London. As regards other forms of entertainment we strongly advise you to give them a miss. Most strip clubs, massage parlours, night clubs are now ridiculously expensive and offer more of a 'clip' or 'con' than value for money.

"HER ARSE STRAINED OUTWARDS AND HER HAIRY CUNT CAME UP INTO FULL MOON VIEW WITH THE LIPS OPEN AND THE SCREWING HOLE OPENING LIKE A WET MOUTH..."

train as we had travelled on so it seemed fairly logical that we should travel back together and find out what the traffic was likely to bear when it came to screwing. Some birds turn out to be right prick teasers but we didn't think these two were like that. They knew the form and were ready and willing enough. Or so we thought.

Till we got to the station.

Then Diana – silver hair and black lightning, ran up the platform with Marlene, purple and green spikes, peering into each compartment in turn. She opened a door and jumped in, but when Sandy and me tried to follow she said: "Not in here with us my good men. Next door please. Tradesman's entrance, but see to it no one else gets in or you won't get a tip."

Diana talked like that – all up county and pianner and poverty.

Sandy was real mad about it. So was I. But the whistle blew and we had to scramble to get into the next compartment.

And there we sat, sullen and brooding while British Railways carted us back through the hot summer night – first stop Ilford, then Stratford, then Liverpool Street.

Suddenly a pink finger came poking through one of them holes that had been drilled by some moron for no reason that I could see. It beckoned. Then another finger appeared through a hole about two foot further along. And that finger also beckoned.

I looked at Sandy.

Sandy looked at me.

We had nothing to lose so we scrambled across the carriage and knelt down on the seat and stared through the holes.

Marlene and Diana were sitting down opposite, looking demure. Diana winked at us and Marlene blew out a load of pot through her painted nostrils.

Both birds were dressed alike in shapeless looking trousers and shabby tee shirts too large to outline anything very interesting.

Punks always look like death warmed up except for their fancy make-up.

Then Marlene stood up and with one swift movement whipped off her tee shirt and produced a pair of bare tits that were big and round and a delight to the eye of any randy beholder. My cock jumped in my Levis.

Diana slid her tongue out and licked her lips and then stood and turned her back and Marlene yanked down her trousers in the same quick way. Nothing bump and grind about it, but very quick, very fast and so, in a few seconds flat we had Marlene's tits winking at us, and Diana's bare bum. And her bum was as good as the titties. The two little cows then started to play with themselves. They didn't touch each other at all.

Diana ran her hands over her bum, stroking it and moulding it and pulling the cheeks wide apart and then letting it plunk back together, showing us her bum hole one second and hiding it the next. Marlene was doing a hand job on her tits, cupping them and joggling them till they wobbled like blanc-manges, pushing the left one up till she could suck her own nipple and then the right one to get the same treatment. That brought both teats up hard and spiky.

Brought me and Sandy up too.

Not half. I could see out the corner of me eye that Sandy had pulled his cock out and was wanking it furiously.

So I pulled mine out too, but I didn't start jerking it off because I had a feeling the show had only just started.

I was right. Marline concluded the first part of her performance by taking both of her nipples between the thumb and forefinger of each hand at the same time and pulling 'em out as hard as she could and then letting them wham back again. Diana bent down and grasped her ankles, looking up at us from between her legs. Her arse strained outwards and her hairy cunt came up into full moon view with the lips open and the screwing hole opening like a wet mouth. It was all shiny. Marlene started to rub one of her big tits all over Diana's cunt, the nipple slopping and sliding in and while Diana began to revolve her naked bum in the most revealing pattern I've ever seen.

To stay in view Marlene moved Diana round just a bit, and forced her legs apart as far as they'd go.

Sandy shot his load all over the upholstery.

My cock was certainly throbbing painfully, but I wasn't going to waste any of it.

Not bloody likely.

All I did was change me eyeballs over and so I saw Diana flop sideways on the seat and pull her legs right back to her ears while Marlene got into a sixty nine on top of her.

Marlene had also dropped her trousers and all she had on were a pair of black plims and short socks.

It was my first sight of her bum and it was small and pudgy and the sort you might want to spank for fun if she enjoyed that sort of caper, and I bet she did. Any girl who could pull her nipples out half a mile and then let 'em smack back into position wasn't going to be upset by a slap on her arse.

I'm not into the sado scene, but a spot of slap and wriggle is okay by me, if it's okay by them.

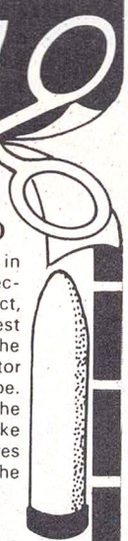
Marlene had a nice cunt too, bushy brown hair all over it, while Diana, who was a wierdo if ever I met one, had dyed hers to match her flippin' hair do. Imagine a quim with a dyed black hairy forest coming almost up to her belly, with streaks of silver lightning zig zagging straight across the hairy horizon to her love button. And then imagine a cherry that sticks out over an inch between her lips.

And it quivered as her mate Marlene crouched over it and started licking up and down, very slowly and then getting faster and faster and faster. Marlene's mouth was really working overtime. Like I said she didn't have much to say, but her lips widened and narrowed and her teeth nibbled and stroked, and her tongue came in and out with the speed and precision of a piccolo player.

My cock jumped hurdles at the thought of what she could do with a change of instrument.

They were still at it when the train stopped at Ilford and an old lady with a dog on a lead peered

SHORT CUT TO SEXUAL PLEASURE!



Two different sex aids for every female, at a very special price.

SEXY LOVE EGGS

The Orient's favourite sex turn-on consists of two light balls with heavier balls inside and joined with twine. Geisha girls still insert them in their vagina to become sexually excited before performing their love arts. We call them *love eggs* and their popularity is worldwide.

RUBBER VIBRO

Today's advancement in technology and electronics has had its effect, even on sex. The best example of this being the vibrator. The best vibrator is the *soft bendable* type. Comfortable for the female because, unlike the solid version, it gives with the ecstasy of the orgasm.

BIG CUTS TO PLEASURE

Because of bulk purchases we now have vast stocks of both and are passing the savings on to you.

"MARLENE AND DIANA SAT DOWN ON THE SEAT BANG OPPOSITE OUR TWO PEEP HOLES, OPENED THEIR LEGS AS WIDE AS THEY COULD GO, AND STARTED TO RUB THEMSELVES..."

into our compartment and the one next door and retreated at top speed.

Not surprising really. Sandy was just reaching his second come and shot it all over the window at her.

She probably went off to complain but the train was moving out by then so she'd have missed it if she hadn't climbed aboard pretty sharpish lower down. She looked quite white and shaken at the awful antics of the younger generation. I might have felt sorry for the poor old duck if my cock hadn't been throbbing and gurgling and crying out for release.

We weren't familiar with the line but we did remember that Stratford was only a few minutes away.

Seems Marlene and Diana knew this too 'cos they sat down on the seat bang opposite our two peep holes, opened their legs as wide as they could go, and started to rub and frig themselves off at top speed. Marlene used three fingers and the thumb to press the cherry while Diana got four fingers slipping in and out to the rhythm of the train rattling over the sleepers.

I'm a nervous, cautious type really. I zipped up my Levis because Stratford has a lot of commuters around even late at night, but, believe me or believe me not, both those two birds were still stark naked when the train pulled in and stopped. Diana actually rolled down the window, put her elbows on it and leaned out, her tits flapping in the cool night air.

We had a compartment at the far end so most of the people boarding the chuffer were gathered around the middle and piling in for the last stop, Liverpool Street. A bloke and his bird did come running up the platform looking for an empty compartment so's they could do their own thing too, and both stopped dead and stared at Diana.

Diana waved her arm.

"Come and join us sweeties," she said. "Time for a quickie, just about."

They gulped and dived in a compartment lower down.

The train moved away from Stratford and rumbled down through Bethnal Green to the wicked city.

I do admit I was a bit relieved when we got out at the mainline terminus to see that both our wierdos had dressed and looked almost normal. If you can ever call silver hair and black streaks normal – to say nothing of a purple coiffure with green spikes.

"We're goin' home by taxi to the ancestral pad," said Diana. "We've hardly started real screwing yet, so come and join us. Oh don't worry – I've got the fare. After all – my daddy has a yacht – eh what."

So we piled into a taxi although the driver didn't look too happy I must admit. What he thought two minutes later if he looked in his driving mirror I dare not guess, but two heads, one black and silver, the other purple and green, were going up and down on two rigid pricks all the way to South Kensington.

And that was where Sandy and me had our next big shock.

I mean Kensington and Notting Hill Gate and Earls Court are areas in which anything can happen. They aren't the exclusive playground of the idle rich any more and most of the big houses are split up into flats full of pop groups and hippies and punks and coloureds so we both expected to be taken into one of those four storey pads with everyone sharing sleeping bags all over the floor.

What we did not expect was to find the taxi in the driveway of a stately home and the front door answered by a flippin' butler in full gear.

"Daddy home yet James?" says Diana.

"No miss. Milord is not expected until tomorrow. A flight delay at Kennedy I believe."

"Good," said Diana briskly.

IN THE UPPER BRACKET

Continued from page 48

"So we can screw in peace. See to it we're not disturbed James, unless of course you want to join the fun."

"Thank you, er – no – miss. I do not believe Mrs. Ferguson would like it. She has rather old fashioned views on the correct relationship between servant and master and has never reconciled herself to the current swinging scene."

"Just remind her, from me," said Diana. "That my grandfather had it away with her grandmother when grandfather was an Admiral of the Blue and her grandmother was a tweeny who dropped her drawers with alacrity. Not only alacrity – the footman as well when the Admiral was busy."

"She did manage to – er – hook the footman," said the butler gravely. "It was considered an entirely suitable match I believe."

"She wouldn't have gone well with the admiral," admitted Diana broadmindedly. "She'd have thrown the ship at the champagne bottle."

And she led the way into this stately home across a hallway bigger than Victoria Station, up a flight of marble stairs with chandeliers chinking like the spare change in a pawnbroker's pocket. We ambled, open-mouthed, down wide corridors lined with oil paintings of old geezers looking like they owned England, and probably did, before Labour got in, and then she opened two huge doors and ushered us into a bedroom – or boudoir, with mirrors on three walls, and one on the floor as well as a slanting one hung on the ceiling.

Sandy stared round and saw several hundred erks just like himself, all disappearing in all directions.

"Dinner is served," said Diana, and sat on the bed with her legs open and her trousers already kicked off. She beckoned to me. "I like having my pussy eaten as an whore Derve," she said, and pulled her lips open to let that protruding cherry button jump out ready for action. "I do hope you enjoy muff diving my man. It's all the rage at Ascot this year."

I suppose I must've been over-awed by my surroundings because I don't usually like being ordered about by a bird and neither does Sandy, but I went down on my knees and plunged my face into that hot, hairy, sizzling wet offering and the smell of it made my cock start rising again.

As my face rose up to lick the streaks of lightning on her pubes I saw Marlene straddling Sandy in front of the mirror and watching her own reflections with eager interest. She'd got her shirt and trousers off at top speed too, but Sandy hadn't had a chance to strip, any more than I had. She was riding up and down on his stiff cock but it was simply pulled out of his jeans for the occasion. He was lying back on the couch, and staring up at the mirror in the ceiling.

But I didn't have a great deal of chance to watch the other action because Lady Diana's hand came down on me head and pressed me back into the Navy. "Suck it," she hissed like an angry snake. "Lick it and suck it, and bite it and swallow it you gorgeous little creature you."

Me? Gorgeous!!!

Ah well. I started in tonguing her in real earnest and she writhed all over my face, using my nose and my mouth and my chin, her cool white thighs slapping against my cheekbones and I felt her clit swell and throb and jerk till something liquid and musky gushed over my nose and mouth.

"How's the hairy monster?" she asked, conversationally. "Ready for a set of doubles."

Thank Gawd fer being young and strong. After all, she had sucked me dry in the taxi, but all those mirrors were acting on me like a blue cinema show in cinerama. I saw Sandy jetting a load of white spunk up Marlene's eager crack and the sight of love cream spurting always has a very strong effect on me, and my cock stood to attention and saluted the Right Dishonourable Lady Diana as she pulled my trousers off and undid my pop shirt worn in honour of the Purple Trogs.

"Music," she said, and went over to a stereo set disguised as a wardrobe only twice the size of any wardrobe I've ever seen. She crouched down and treated me to a double view of her moist slit. She was crouching over the mirror on the floor and piling Purple Trog long players on the turntable. I watched every move she made. Don't often get the chance to see a hot crack moving between two big, pale, ivory cheeks in a mirror on the floor. And when she stood up and started dancing to the beat it was even better.

Marlene and Sandy poured drinks and joined us and soon we were all gyrating and jerking in the middle of the floor, and two blokes with stiff cocks at the ready, and two birds with joggling tits and steaming quims were reflected from every angle it was possible to see. The scene looked like a crazy disco jammed with cock and cunt and tits and arse.

Then the two crazy little tarts had Sandy and me standing against the one wall that didn't have any mirrors on it, holding up our cocks while they tried ter throw American type donuts on the end. They missed, but that was because the hole wasn't bit enough for the two straining pricks they were aiming at. So both birds pushed a donut each over the twitching weapons and started to have supper. I nearly went clean out of my tiny mind as Marlene nibbled the end of my prick while I watched Lady Diana give Sandy a whirl. There's no feeling in the world quite so torrid as a piccolo

players tongue and mouth, wet, warm, moving and licking and biting up and down my rigid cock. I hoped she enjoyed the donut too. She seemed to. She licked off all the sugar and then crawled away across the floor and made me chase her on all fours till I could mount her from behind and ram my aching, frustrated meat all the way. I grunted and groaned and pushed and shoved, and my cock felt like a living snake doing a dance up the charmer instead of in front of her. I wouldn't have changed places with any snake charmer in the world right then. My cock was so sore, and tender, it was twice as sensitive as usual and Marlene's cunt wrapped itself around it and started munching my palpitating meat.

"Ram me," she said. "Move it man. Get into it. Fuck me. Screw me. Fuck me you bugger."

It was the most she'd said all bloody evening.

It was enough.

I slammed it in and out like I was playing squash, and my shuttlecock whammed across her pubic bone and into her wet, slimy, slippery, clutching, sucking cavern until I felt my bollocks clutch and rise, and that deep, slow spasm travelled all the way up the shaft to bang the pistol cream into her gulping womb.

"Wheeeeee!" she yelled, while my cock twitched and jerked and thudded out the biggest load I've ever shot in my life.

I collapsed on her back, like a flaked out jockey after the Grand National. But her cunt still gripped my cock and it was still sucking at it, milking every last drop. I rolled off my horse. I didn't know whether I'd won the cup or not. I didn't even care.

My prick came out and flopped against my aching legs, and spunk still dribbled out.

I felt someone licking it off and saw Diana with Sandy pumping away behind her.

She was kneeling doggie fashion too.

Marlene squealed and still had strength enough to slide between Diana's legs and roll back, opening up a brown haired cunt-spattered with my come. And Diana plunged her face down and licked it all away, poking her tongue in the wet hole of her friend and actually... actually, finishing her off so's she came with a loud yell and subsided quivering. She arched her back like she'd been struck by lightning and then flattened herself out and had a multiple orgasm that I didn't believe existed. I'd heard of them but I hadn't believed in 'em.

Well – it's true. Some girls do have 'em.

Marlene and Diana, for starters.

Marlene I'd seen.

Now I lay back on the bed and watched Sandy's prong piercing Diana toasted crumpet until the steam came out of the oven.

"Looooovely darling," she cried in that upper Kensington drawl which I'd thought was a put on but which, like I said, had turned out to be perfectly bloody natural to her. "Oooooo goooorgeous! Fuck, fuck, fuck, fuck, fuuuuck meeee!"

And she jerked forward on the last crescendo and Sandy shot a plume of milky white spunk over her bum while her love hole shuddered with spasms of ecstatic pleasure and she shot juice down her legs.

"Oh thank God for the working classes," she said at last.

Her cunt looked red and almost raw but she didn't seem to mind it being like that. She'd been ploughed and used and screwed silly and that is what really liberated chicks like. Too few of 'em around unfortunately.

We had a bath and a shower and then enjoyed the view while Marlene and Diana rubbed various creams on their pussies.

"Have to look after the pets," said Diana. "I do believe in being kind to animals – especially my dear little purring pussy."

"Yeah," said Marlene. "Great. I dig it."

"You mean everyone else digs it," corrected Diana in her aristocratic look down yer nose voice.

She pressed a bell push and James came in, still on duty, and she ordered some big eats and he gravely inclined his silvery head and went out again. He returned wheeling one of those ornamented trolleys on wheels, loaded with cold meats and rolls and four coffee cups and some lickyours which tasted sweet and sticky but lit up a cosy glow down in the basement.

We played some more records and then retired, four together in the bed, and we slept some of the time, and shot spunk on the linen sheets the rest of the time. Sandy and me were pretty well wacked out by the time we woke up to find ourselves all alone in the big kingsize double bed.

So we didn't recognise the plump little housemaid who came in with a mop and duster till she bent down.

"Marlene," I said. The purple hair and the green spikes were gone. She had brown hair neatly parted in the middle and no make up beyond a touch of lip stuff.

"Good morning sir," she said. "Ope you slept well and Lady Diana is waiting downstairs."

So she was, dressed in riding breeches and golden hair over the black Punk hairdo, and her face was high nosed and terribly aristocratic. She tapped the side of her thigh with a black riding crop.

"James," she said. "Show these gentlemen out. Make sure they have enough money to get home to wherever it is they live, but do also warn them not to try to come back. We really can't have the working classes getting above their station, can we James?"

"Indeed not Miss Diana," he said.

And he showed us out.

LOYALTY OR LOVE

BY KAREN PILTON

I felt the rough forefinger and thumb closing over my nipple, the left breast hanging out of my half cup brassiere, scooped out seconds earlier despite my protests. Whatever the rights and wrongs of such a situation I was seemingly powerless to resist, the thick lips once more back over mine. The restless tongue demanding entry, once inside lapping around my teeth as I returned the pressure. I could feel the short hair at the back of his thick neck as my arm went up and around, standing on tiptoe and not raising a murmur as I felt him completing the unfastening of my blouse.

That achieved those hands soon located the clasp between my shoulder blades and loosened the bra, the sorely used left breast thankful for being released. There was stubble on his chin, stiff bristles which rubbed against my tender cheek as he nuzzled into my neck with greedy lips. His hand now free to roam over my breasts after it had brushed aside the slackened bra, breasts which somehow came alive under the far from gentle touch, breasts which begged for more as he twisted the nipples into stiff peaks. A knock at the door made us part, I felt myself blushing furiously, as he stared at my breasts.

"Don't worry yerself, love, I'll see who it is."

He reached over and gave my boobs a squeeze.

"Just keep 'em warm for when I get back, eh?"

He grinned, turned and disappeared down the uncarpeted stairs. I heard him call upstairs from the hall.

"Only the gas board come to connect you."

I looked around the empty bedroom, empty save for the carpet which he had just laid. What on earth was I thinking about? Right from the moment I had opened the front door to him an hour previously I had experienced a dreadful feeling of impending danger. Why? It wasn't as if he were terribly handsome, in fact his face was somewhat brutal with overful lips, dressed in a tee shirt and faded jeans he had pulled rolls of carpet from his van and carried them inside. I had hovered in the background, staring at the bulging muscles in his arms as he struggled up the stairs with the bedroom carpets. Determined to keep out of the way until he had called me up to advise which colour went where, I had sorted that out, made some stammering apology for not being able to make tea to which he had simply replied: "Last thing in the world I'd think about, love, especially with you around to decorate the place."

I had tried to dismiss it simply as a cheeky remark, gone back down to the lounge to hang curtains. I was angry with myself, could hear him working upstairs and was inexplicably drawn there. He had just finished that first carpet, looked up to see me in the doorway staring at him.

"Come to have a look, love, or was there something else?"

I knew I was blushing, I could feel tears welling in my eyes as he stood up and put his hands on his hips.

"Come here then... come on I won't bite."

As if in a dream I had walked woodenly across to the centre of the room, stood quite still as he put his hands around my waist and kissed my closed lips, he had nudged his tongue against my mouth until I opened my lips. I could taste tobacco as he kissed me, I could smell the sweat of honest labour as I clung to him. It was then that he had undone the top two buttons of my blouse, wormed a hand inside my half cup brassiere and scooped out a breast, my brain a wild mass of jumbled thoughts as I attempted to protest at his completely unfastening the blouse, loosening the bra and roughly pawing at my breasts.

Thankful that the gasman had arrived, or was I? I could hear them talking downstairs, it would have been so easy for me to have refastened my bra, yet instead I took off my blouse so that I might slip the shoulder straps. Then quickly replaced the house and rebuttoned it, pushing it into the waistband of my skirt, holding the bra and turning with a startled gasp as he spoke.

"Hey, that's better, pet, only gets in the way."

He was grinning, openly appraising my thinly covered breasts which made me shiver.

"Look... I'm not sure just why I allowed you to kiss me, please continue with your work..."

He shrugged. "That's just words, love, yer tits tell me what you want... I mean look at them, fair fit to burst out."

I looked down, saw that my nipples stood stiffly out against the blouse front and wrapped my arms protectively across the urgent tips. Still grinning he walked over to me, pulled away my arms and stroked the front of the blouse, croaking hoarsely at me.

"Blimey, you do want it bad... pity you ain't got the beds delivered yet, still we can always test the carpet."

He made as if to push me to the floor, I stood back.

"No... no, that man is still downstairs..."

He shook his head. "No he ain't love, five minute job connecting gas... now are you going to lie down or not?"

It was utter madness, sheer fantasy as far as I was concerned, everything that I had ever believed in told me to turn and run.

"Tell yer what, you go and have a think about it, you have gas now so put the kettle on while I lay the back bedroom carpet."

I stumbled down the stairs, like a zombie I put the kettle on the new stove and leant back against the sink unit. Oh God, what was I doing even thinking about it?

David and I had been working towards our dream home for four years, in a month's time we were due to be married at the local church. Invitations long since despatched, the reception booked. The whistling of the kettle disturbed my thoughts, mechanically I set about making two mugs of coffee which I carried upstairs. The fitter didn't stop work although he knew I was back, simply nodded.

"Stick it on the landing, I'll be done here in a few minutes."

I stared at the pale pink carpet that David and I had chosen together, tears once more very close as I found my thoughts centering around the strong form of the carpet fitter as he worked on his knees. He was quick, he was skilful... would he be as quick, as skilful if I... I... I shuddered at the thoughts winging within my head, still stood on the landing when he came out for his coffee.

"Thanks, pet. What's up? Worried about the wedding?"

I looked at him. "No... not that it is any business of yours if I am."

He shrugged. "Suppose not, here you don't mean to tell me you are a virgin?" There was a genuine look of shock on his face, a look which made me laugh nervously.

"No... of course not..."

I felt the colour running to my cheeks, wondering just why I should be talking to him in this way, although I sensed that his next remark was intended to anger me.

"Ah, but have you had it away with different blokes?"

I took the bait, flared back at him. "This conversation has gone quite far enough, I shall report you to your firm..."

He laughed. "Suit yourself, love. I work fer meself, only sub-contract fer the fancy shop yer bought this lot from... thing is that if you ain't never given another bloke a crack at yer fanny how the hell do yer know if yer fella is the tops?"

Without awaiting a reply he walked through to the third bedroom and began lining the floor with paper, I stayed on the landing with my mind back tracking over the years David and I had known each other. We had met shortly after my eighteenth birthday, become engaged two years later, all very conventional and proper, neither of us sexually experienced we had gradually progressed through stages of petting until we had reached a point when both of us wanted to give ourselves fully. A bit of a disaster really which had occurred when we were on holiday with his parents after the engagement, he had come to my hotel bedroom, he had hurt me although I'd endeavoured not to show it. After that we had restricted our intimacy to infrequent sessions, sessions which if I was honest I had found lacking in the arousal that I was supposed to feel. I had always told myself that things would be different after we married.

"Know what me old dad used to say to me?" His words once more intruded upon my personal thoughts. "He used to say keep 'em well fucked and poorly shod and they won't stray far from home. Reckon he was right too. Mind yerself I want that carpet."

He brushed past me, the crudeness of his words both shocked and excited me.

"Are you married?" I was surprised at the firmness of my voice, he grinned broadly at me.

"No, love, I get my fair share without tying the knot... trouble is I ain't really ever met a bird as I could say took me fancy to settle down."

He was honest if nothing else, at least there was nothing furtive about him, despite myself I was already comparing him with David. The roundabout way in which my fiance went about making his desires known, I smiled to myself regarding the hours it had taken him to get around to discussing contraception with me. We had to date always used a sheath, but two months ago I had visited the family planning clinic and gone on the pill, that fact unbeknown to David as I had planned it as a surprise for the honeymoon.

"Why are you so crude?"

Once more I had the feeling that it really wasn't me talking, he was on his knees again, paused in his work and scratched his chin.

"In what way?"

I walked into the room.

"In the way you talk about sex?"

He smiled. "Crude? Not me, love, I just call a spade a spade, know what I mean?"

I shook my head.

"Oh yes you do." He was stood up now, came across to me. "If I want to feel a pair of tits I say so, I don't cover it up with a load of bloody rubbish, wait until the lights are low and the music is playing. I'll tell yer something for nothing, love, you have got a lovely pair of boobs, I'd like to tek them out and suck them fer you, cover them with me mouth and kiss them silly. If yer think that's crude then you are mad, all I'm saying is how I feel... where's the harm in that?"

My legs were trembling, maybe I hated myself for it but I wanted him to talk like that, wanted him to demand things of me. When I did speak my voice was low, almost a whisper.

"What would you want me to do?"

He put his knife down, placed a hand under my chin and lifted my face so that he could look directly into my eyes.

"Stop playing games for a start, if yer are serious then tek off yer blouse and let me git a handful of them lovely tits."

I stood quite still, amazed that gradually I felt a sensation of calm pervading my body.

"Where?"

His face serious now as he wiped his hand across his mouth.

"In the back bedroom, I'll finish this carpet first... go on, and don't fool with me."

Like a lamb I walked away, went across the pink carpet and drew the curtains across the window.

I could hear him working as I once more removed my blouse. I no longer felt foolish to stand there awaiting his arrival. Rather I sensed a terrible longing in my guts, a tightening of my stomach muscles, a tingling of every nerve end in my body. I glanced at my watch as I let my blouse flutter to the floor, almost midday, only three hours previously I had let myself into this house like any excited bride-to-be. Now here I was contemplating committing intercourse with a complete stranger. Contemplating? Not strictly true for in my heart I knew that he was going to make love to me.

Complete stranger? I couldn't go along with that either for it was as if I had been searching for someone just like him for a long time. Whenever David and I had been intimate there had been a mantle of secrecy about the event, almost as though we both sought to pretend that it wasn't really happening.

There was nothing secret about the way he looked at my exposed breasts when he walked into that room, he grinned happily.

"Like I said, love, you have one of the best pairs I ever saw... come here, give me a feel of them beauties."

What was the point in arguing, I didn't want to anyway, openly showing off my breasts as I crossed to him that he might avail himself of them. Those rough hands up and handling immediately, weighing each orb in turn, the nipples once more given special attention until they ached. Very soon that bristly chin was scraping over the tender hillocks as he bent down to carry out his threat of suckling me, it was like an electric shock to have his hot mouth settled over a teat and dragging it inside to allow his tongue to lash across its pert form.

David had never kissed me there, only his soft hands had ever strayed across my mammaries, having a mouth attached to them made me faint with emotion. I just prayed that this man would treat me as I desired, my heart wanting nothing more than to be dominated. I was not to be disappointed on that score for having given me a thorough oral exploration he stood back hands on hips. "Okay, baby, give me a feel."

I looked at him unable at first to comprehend exactly what he required, he came to my assistance with a swift gesture as he undid the zip of his jeans. I felt terribly excited, my hands shaking as they went down there and sought the gap he had made, when I actually contacted his penis I nearly swooned. Had it not been for his supporting arm then surely I must have crumpled to the floor, yet still he insisted.

"Get it out, pet... come on..."

Nervously I pulled the thick penis from his jeans, aware now that he wore nothing to stop me coming into direct contact.

"Best get to know it, pet."

Only briefly had I ever come into contact with David's penis, always he had been anxious to slot it into my body, Not so now for this man wanted me to come to terms with his manhood, stepped back so that I could look down at the massive erection I held. Oh God, he was huge, my mouth went dry and I swayed to look upon the full glory of his organ. Surely he was twice as big as David? I was greedy in my approach once I overcame my initial shock, stroking the rigid length whilst he played with my breasts. I felt a wave of disappointment when he stayed my hand.

"Hold on, pet, don't want to rub me off."

His voice was gruff, laden with emotion as he gave vent to his feelings.

"Right now hear me good... get the rest of yer clothes off and get on yer back, I'm going to stuff you rigid... understand?"

I understood very well, my hands already unzipping my skirt so that I might step clear of its restriction. I sat down on the carpet to worm off my tights and panties, caring not one iota that I was now naked in his presence, nor did he let me down in what I wanted as he spoke sharply to me.

"Get yer legs open, pet, I want to have a look at yer quim."

As I spread my thighs apart the knowledge that he could actually look directly into my most intimate spot did nothing other than practically drive me to distraction. David had never seen me down there, always our love making had been under the cover of sheets or blankets, the hungry look upon this man's face was rewarding. He wanted me, desired what I had to offer in a fashion I had never before experienced. I watched as he dropped his jeans, pulled them off his feet after slipping out of his boots, then he was kneeling by my side and putting a hand at the back of my neck to lift upward.

"Okay, baby, suck me..."

Oh no, was I so to be so rudely introduced to all manner of sexual activity. Alright I might have read in books about suck things, yet surely they did not occur? They did, as I soon found out for he pulled my face around so that he could push his fat erection against my lips, I closed my eyes and swallowed hard. Soon he had forced his bulb between my lips, the arrowhead huge and smooth invading my mouth, quite what I had expected I'm not sure but I soon came to terms with the bulb and tentatively ran my tongue around its large area. I was almost ashamed of myself for the pleasure that came to me from sucking on his penis, I dragged it further inside and twisted around the better to engage it between my eager lips. Within minutes I was treating it like some delicious lollipop, drawing it inside and licking the helmet head avidly, he simply urging me to greater efforts.

"Suck it, suck it harder..."

I groaned when he finally pulled clear, knelt by my side and felt my aching breasts once more.

"Right, get yer legs wide open, love."

I did as he asked tensing myself ready for the invasion of that huge penis into my tiny vagina, yet that intrusion did not come for I felt hot air from his lips upon my tender inner thighs, then I was gasping for breath and grabbing at the recently laid carpet as he planted his face directly over my vagina entrance. I went really mad at that, I mean having his tongue plough my furrow until I wriggled like a puppet on strings. Oh God, I was lost at that, if I needed anything to drive me right over the edge of sanity that was it, once his generous mouth landed upon my anxious labia I was lost completely. How on earth could any two people be closer than this?

I abandoned myself to the full pleasure of his oral assault with the sneaking inner thought that I did not even know his name, nor he mine. I was moaning loudly, wriggling around the carpet as he finally withdrew his fabulous lips from my quim, not that I was to be given any rest from his constant attention for no sooner had he withdrawn his face from my wet crotch he was turning me over to lie on my tummy. I squealed as he set his teeth into my bottom, biting first one cheek and then the other with a frequency that had me beating my hands in clenched fists. Why, oh why didn't he do it? Why didn't he turn me over and ram that super penis deep into my gaping orifice? Nor did he stop at biting my bottom, gradually his mouth worked its way upwards until he was kissing me between the shoulder blades while I struggled to twist around and face him. His strength too much for me, easily he held me in position until he was well and truly ready for me to swing onto my back. I flopped there once he released the pressure, stared at him wide eyed.

"I don't even know your name..."

He smiled at me. "Does it matter?"

I nodded. "To me... yes it does, please tell me..."

He grinned down at me. "Okay, why not. I mean I'm going to ask you to say something in a minute that might take a great effort... I'm Ray, who are you?"

I lifted my back, kissed him on the mouth with open invitation before replying.

"Karen... what did you want to ask me?"

He rested on an elbow, ran a hand into my crotch and began to finger my urgent slit which made me squirm with utter bliss.

"Ah, now there is the question, pet. I want you to tell me what you want... crudely, which I trust you understand?"

I wasn't at all sure what he wanted me to say, struggled to a sitting position, watched as if in a dream as he fondled my breasts, stroked the nipples roughly with his hard fingers until they stood proud and erect. I could look down and see the pink nipples being handled by Ray, a thrill running through me to witness his fingers actually playing with them. Oh God, I was lost... there was no way I could deny this man any damned thing he wanted, surely I had already kissed and suckled his penis, was there anything else he wanted? Tell me, just tell me and I would do it...

"What do you want more than anything else, Karen?"

I wanted to tell him, yet my upbringing, my education stalled my words, I tried twice but nothing came from my lips as the devil still played with my poor cunnie. By this time he had two fingers inserted in the gash and was stroking my clitoris rapidly, my bottom bouncing on the floor in time to his motion.

"Tell me what you want?"

In the back of my mind I was aware of the words he wanted to hear, could not bring myself to say them to him, still he fingered me between my thighs until I was gasping like a hooked fish.

"If you don't say what you want, then you don't get it... understand?"

"I... I want you, Ray, please, oh please I want you..."

I saw him shake his head. "Oh no, you started the crude lark, so keep it up... I mean what do you want me to do?"

Oh God those fingers were driving me crazy, sneaking up inside and opening up my quim far wider than I ever imagined

possible.

"You know what I want, you bastard, give it to me... please do it... please, Ray..."

Through hooded eyelids I saw him wavering on the brink, positioning himself over my eager body which yearned for his touch, still he restrained himself.

"But what do you say? When you learn that I might just do it to you. Come on, Karen, tell me?"

I gulped for air, stared directly into that honest face and practically spat out the words at him.

"I want fucking... you know damn well what I want, Ray, please, please... fuck me, darling, fuck me before I burst..."

The words once uttered triggered off an immediate reaction both to him and I, on his part he came between my thighs and ran the head of his hard erection into my running labia, on my side the affect was to rid me of the final vestige of my 'nice' upbringing. All I wanted was for his stiff, thick penis to invade my greedy quim and it was not wanting in that respect for I gulped deep for air as I felt him lower and feed the head of his cock into my lubricated entrance. At first I thought there was no possible way he could obtain entrance, it felt for all the world like he was endeavouring to force a telegraph pole into me. I groaned and moaned as he battled hard at my reluctant entrance, then gave a loud squeal of utter delight as he breeched the outer defences and split my narrow slit with his gigantic cock, that first taste of his man hood was

sufficient to make me relax.

Having gained entry Ray was now slow to establish the ground he had won, personally I did not give a damn for David or any other male that might exist on the face of this world. All I wanted, needed, was for this super fat erection to nose its way up my body. I was making a lot of noise, moaning like a mad thing as Ray sought to gain ground up my vagina, I thought I might actually split in two as I sought to spread my pelvis as wide as possible to accept him. Oh Lord, he was so big, so gorgeous as he took hold of my shoulders and rammed hard to establish a full contact between us.

Losing my virginity had been nothing compared to the glorious sensations now being transmitted from my vagina to my fuddled brain, I felt every tiny section of his rigid length as it gained occupation of my body. Lay my head back on the carpet and abandoned myself completely to the act of copulation, I wanted this man to fuck me until I couldn't stand it anymore. Nor did he fail me in my wish for Ray was superb, he ran his hands down to my bottom and lifted it clear off the carpet the easier to plunge into my depths. Shoving his stiff tool so deep that I feared for a moment that he had burst his way clear through to my stomach.

"Hold tight, love, I'm going to come my lot any second... you are lovely..."

I held tight to him, knew in my heart that I was about to experience a high spot in my life. The oft heard of orgasm came all of a sudden, almost taking me by surprise as Ray slammed hard into me, one second I was fully aware of what was happening and the next I was cast into utter, mind bending bliss as my whole tummy dissolved and I clung to him in avid lust. I cried out loud when that sensation hit me, scraped my nails down his back as he still strove to slam home into my by now wide open quim. I was still relishing the delights of my own spending when Ray stiffened above me.

"Hold me, Karen, hold me tight, love... I'm coming... coming like a bloody train... ahhhhh..."

He gave a loud squeal and I became aware of my vagina being flooded with hot sensation, we clung together like two orphans from the storm as we worked out our own salvation. Not until we had slowed our strokes, not until his gigantic penis had begun to soften did Ray speak.

"Hey, pet, I reckon as how I could have found someone to spend the rest of me life with... what about you?"

X445

I swallowed, kissed him on the cheek before replying.

"Only if you treat me like a slave... do you know what I mean, darling?"

I saw him shake his head. "I mean I want you to tell me what to do, whatever you want I'll give it to you... just promise me I can have this lovely penis inside when I need it?"

Once we finally rolled apart I rapidly redressed, Ray seemed far more reluctant to cover his firm body and took hold of my hand to guide it to his damp penis.

"Hold it for me, pet, tell me again that you want it?"

I did just that, better I knelt before him and kissed his soft tool with my mouth as he held my head firmly against his crotch. Once I stood up I felt at peace, I knew exactly what I had to do, I took control.

"Ray, get dressed, darling. If you feel able why not continue with the carpets?"

He nodded dumbly. "What about yer intended?"

"What about him, darling? He cannot give me what I've just had from you, all I'm anxious for is another taste of that super cock of yours."

I could hardly believe what I was saying, I wandered downstairs and put the kettle on again, by the time Ray appeared in the hall it had boiled and I had refilled the coffee mugs. We drank in the kitchen, not speaking for quite some time until he broke the silence.

"Karen... I haven't felt this way afor, I mean what the hell am I supposed to do? When I shagged a bird before I could have walked away and not cared less, but with you it's different 'cos I want to do again, and again and more after that... maybe I ain't very good with words but I hope that tells you how I feel?"

It did, I went across and kissed him on the mouth,

"Look, Ray, just get the message please... all I want is to be with you, to do exactly what you want whenever you choose... can you understand that?"

The way he started to fondle my naked bottom up my skirt told me that he could, I leaned against him, happy enough simply to be a tool for his benefit as he caressed my bare arse cheeks.

"Hey, what time does he get here?"

I still wore my watch, saw that it was almost three.

"In about two hours... why?"

Ray grinned again, squeezed my bottom hard.

"Because that gives me a couple of hours to shaft you again... get yerself upstairs woman, get yer clothes orf and lie yerself on the carpet."

Willing? I could hardly make the journey up there because my legs were shaking so much, nor did Ray fail me in what I truly wanted for he had me suck his penis until he was re-erected, then spent time out to worship my vagina with his mouth. That second copulation settled my mind, possibly the first had been a chance encounter which had warped my mind. If so the manner of his screwing me to conclusion that second time took away all doubts, by the time he spent his semen into the neck of my womb I was his, his to do with as he pleased and lying happily there as he withdrew and gave me his softened cock to hold.

"Don't never let it go, Karen, I'm strong enough fer both of us... you ought to know that."

He meant that too for shortly after five when David arrived he met him in the lounge, facing him squarely whilst I stood at the doorway.

"You must be David, okay, mate, so let me tell you something that might interest you. The girl you intend to marry has lay on her back and been screwed twice today, I've had the pleasure of bringing her orf both times. She ain't interested in marrying you, sorry about the suddenness of this but that's life ain't it?"

David opened and shut his mouth like a goldfish, turned to me.

"Karen, what's this nonsense?"

I felt strong, wonderfully fulfilled for the first time in my life.

"Oh, it's not nonsense David, Ray has shown me just what life is all about... with regard to the house I couldn't care less, certainly there is no marriage going to take place... possibly I feel a degree of sadness, but then I'm sure you'll find someone who is able to be satisfied with what you have to offer."

Surprisingly enough he didn't even look shocked, simply stared at me hard.

"Do you know, mother warned me about you... she said you had a look in your eyes that said you wanted far too much... I think she was right..."

With that he turned on his heel and left, I have to admit to feeling empty, not at all sure quite what I ought to do. Ah, but bless my man, Ray, who took hold of my hand.

"Okay, love, we have a few things to do now. First orf we have to go and see yer folks, tell 'em as how the wedding is not on... course they will be upset but they'll have to get over that... then there is the question of what happens next. Easy... I'll tell yer, I've got myself a little flat the other side of town and that's where we'll go."

Why argue? This man had my life in his hands, I duly followed while we got into his van and went around to my home, whilst I was upstairs packing a case he told my parents the situation, whether or not they understood I cannot know at this stage. When I got back to the hallway and my mother was kissing me affectionately I was heartened to her brief words.

"Karen, it might hurt now... but seeing Ray for the first time tonight I think I understand, if it's a choice between full security and physical satisfaction then you have come to the right decision. I mean it all adds up to how you get on in bed."

I hugged her, hurried out to Ray's van and waved to her as she stood on the doorstep. We did not speak on the journey across town to the street in which he had a flat, not until he had showed up the dingy staircase and let me into the apartment did Ray utter one word.

"Welcome to my world, pet, it ain't great... but it's exciting, that's if you feel like I do?"

I gave a brief glance around the untidy interior, actually I couldn't have cared less what it was like, all that mattered to me was the sensation of Ray's super penis entering my body. Nor was that long in coming, for he stripped me naked in the lounge and did not disappoint me with his words.

"Through there is the bed, get there and spread yerself wide 'cos I'm going to shag you rigid."

Dutifully I went through, lay myself on the top of the unmade bed and awaited my master's pleasure. That came swiftly as Ray arrived as naked as the day he was born, his gorgeous penis erect and ready as he settled himself by my side.

"Best git used to this, love, it's the only one you are going to git from now."

With that he rolled on top of me and lunged into my quim, I lay back at peace with the world as his flesh occupied my body, there was nowhere else I wanted to be... nothing else I wanted to do other than this. Loyalty or love? I chose love, what would you have done?

PRIVATE SHOWING

Dear Editor,
I work as a stills photographer for a large film company, and this means that I get to see many films which are banned in this country.

A few nights back I went to a private showing of a film called 'Come Play With Me 2'. Now in my time with this film company I've seen some really fantastic sex films, but let me tell you that 'Come Play With Me 2' just has to be the sex film to end all sex films. It'll never be shown in this country for it is far too blue.

The film takes place on this health farm, but the plot is just an excuse for everyone in the film to walk round naked all the time. But as all the women in the film are really beautiful then the plot line doesn't matter very much.

The film is a full length feature one, and the production and photography are first class, and I know what I'm talking about.

Anyway, about the girls in the film. They are marvelous, not only are they lovely, but they are all raving nymphos. They will do anything to get an orgasm, anything at all.

I thought I'd seen it all, but this film really opened my eyes to what women can get up to together. Yes, the lesbian scenes in the film are wonderful.

Mind you, the hetero sex in the film is bloody good. The men seemed to have been picked for the size of their pricks, they also seem to know just what to do with them as well. I don't think more than two minutes went by during the film without you seeing a close up of a cock slipping deep into a wide open cunt hole.

This is the sort of film that gives porn a good name, for the scenes are well staged, the camerawork is first class, and the different ways those people fuck each other just has to be seen to be believed.

There was one scene where this naked girl, with big tits, takes a cock into her mouth and a cock into her cunt at the same time, and they use a split-screen technique so that you can watch both cocks in action at the same time.

There's another scene where these three birds wash each other in a bath, they then dry off, and after that they flop down on this huge bed and suck each other out in turn. Yes, 'Come Play With Me 2' has something for everyone in it. If you like les sex it has it, you like water sports, well it had that as well. Yes, you name the kink and those lovely people do it for you. Yes, film of the year is what I'd call it.

Mr. W.E. London.

Readers will be pleased to know that 'Come Play With Me 2' is showing at these following cinemas:-
LONDON Moulin, 1st July. **MANCHESTER** Cameo, 3rd Aug. **CARLISLE:** Studio, 17th Aug. **GLASGOW** Classic Grand, 24th Aug. **EDINBURGH** Classic, 24th Aug. **NEWCASTLE** Studio, 24th Aug. **BLACKPOOL** Studio, 28th Aug. **LEEDS** Plaza, 7th Sept. **STOCKPORT:** Classic, 14th Sep. **SHEFFIELD** Classic, 14th Sept. **ROTHERHAM:** Classic, 14th Sep. **BRISTOL:** Studio, 23rd Oct.

IN THE CHURCH

Dear Editor,

You know how things always seem better when there's a little danger involved? Like when you were a kid and the candy never tasted so good as when you had nicked a pence worth and hid in the alley to eat it? Well, it was always that way for me, anyway, and still is. Only now it's with sex, not candy. I've taken risks the average guy wouldn't even think of. I've fucked under the stands during football, I've screwed chicks while their husbands were in the very next room, I've even gotten blow jobs on the upper level of the double-decker buses. But I topped even myself with my last escapade, and I gotta tell you about it.

I was sitting around the pub one night with some mates who are also a bit on the crazy side, and we all got to bragging about who had done the most far out thing. Of course, it went round and round, with each bloke dredging up some half-true whopper to beat the one just told. Finally I said, why don't we stop bullshitting about who has done the most far out thing and get down to who will do the most far out thing. They all gave me this "like what?" look, then everybody caught on to the mood and started throwing out suggestions. They ranged from versions of things I had already done to really stupid ones, like laying in the middle of the M3 for the length of a cigarette to show you weren't chicken. After a while I was getting fed up, and I said "Where's the last place any of you would dream of getting laid?" That got 'em going, and all sorts of places came out, in a library, on a moving motorcycle, in a cemetary. Finally they all agreed that probably the freakiest place to have a go would be inside a church. I know an opportunity when I see one, and I said "I'll bet you fifty pounds I can get fucked in any church you choose. And not just under the pews or in the cloakroom, but right smack in front of the altar." They all looked at me like I was easy money, but no one spoke up. They were looking at each other and grinning when I said, "And not just once, but three times." With that money was flying on the table, and before the evening was up the bet was set and a church

GENUINE COLOUR PORNO
From the Publishers of this Magazine

We hope you enjoy this magazine and the others in our range – you can't buy anything stronger in newsagents. However, we do produce one or two lines that go the whole way – these are for sale to personal callers and mail order only – but they are too strong to sell in local newsagents. These large colour magazines are as strong as any imported material. Look at these two mags:

1. PORNO MODEL

Superb 100 page magazine. Introduces ACTUAL EXPLICIT shots of sexual intercourse (first British mag to feature this), plus vibro masturbation shots, flap shots, fist ducking, actual penetration intercourse and actual penetration oral sex shots. This is the strongest magazine ever printed and sold in Britain. Mail order price £1.75.

2. PORNO

As the title suggests non-stop porno stories and colour pictures from end to end. The most explicit sex magazines ever published. Covers every form of pornography and sex. Group, Les, objects, the lot. You've never seen a book like this. Just £3.25 mail order.

☆ SPECIAL OFFER ☆ We offer you PORNO MODEL & PORNO at the SPECIAL OFFER PRICE OF £4 (instead of the normal price of £5).

OUR PLEDGE

We as the publishers of this magazine GUARANTEE that these are the strongest and best books we have ever published – stronger than our normal monthly publications. These magazines are DEFINITELY NOT the normal 'rip-off' mail order lines that so many of our competitors appear to specialise in.

selected. I can't tell you where it was, except that it wasn't right in London proper. I had my choice of taking along witnesses or supplying my own proof. I chose my own proof.

The next day I called up my chick, who if anything is nuttier than I am, and we set it up. On the following Tuesday, when we knew it would be quiet, we got all dressed up like business people or something and drove to the church. We went in and had a quick look around, and it was quiet as a mouse. The only problem would be the vicar. I had a story all set up to draw him away from the church, but when I got to his office I found a note saying he was out for the afternoon. Everything was going perfectly. I had brought a Polaroid with a time release, and I ran to the car and got it. Then I grabbed my chick, stuck chairs against the front doors, and we ran up front. I had a hard-on just thinking about what was coming. You wouldn't believe how exciting a church can be when you're there for the wrong reason. Right off I set up the Polaroid on a little stand and whipped out my growing pecker. My chick laid down, pulled up her dress and propped her ass up on her folded-up coat so's her quim would be sticking up in the air a little. She didn't have any knickers on and I drove it right in up to the hilt. She must have been just as excited as I was, 'cause she was just gushing pussy juice all over the place.

If there's any way you could say I cheated it's that I didn't allow us to fuck all week, so that we were right ready now. She started hopping all over the place as soon as I was in her, and a moment later I felt my first load of spunk rushing up out of my balls. I leaned over and flicked the time release switch and ten seconds later the flash, my chick and I all went off together.

Then I sat down, pulled my trousers down to my ankles, and grabbed the camera off its stand. I leaned up against the altar and my chick spread my legs and started sucking for all she was worth. She's no rookie, and she had me stiff in seconds. I just stared up at the ceiling while she tugged at my balls and slurped away at my blood-filled cock. Again I could feel the spunk on its way, and I picked up the camera and held it arms-length away from her head. Just then she slid her pinky up my arsehole and I let loose a stream of spunk into her mouth. She pulled back and the flash went off just as I splattered all over her face.

Now for the icing on the cake. I set the camera back on its stand and adjusted the timer. My chick sucked away at my limp prick till it hardened up again and I lifted her dress and bent her over the altar. I had to hurry 'cause I knew we were running out of time. I spread her tight cheeks apart and slid into her juicy quim doggy-style. I had just come twice, but after almost a week's lay off that hot pussy drove me crazy. I rammed it in and out till I could feel us both start to shake, then flicked the release on the timer and grabbed hold of her tits. A couple more strokes and we practically shook the altar apart as we both had tremendous climaxes. I didn't think I had must left, but when I finally came I sent spurt after spurt of my sticky cream up her love tube. Just as I gave her my last squirt the flash went off for the third time.

Back in the pub, the guys couldn't believe it. But what could they say with those Polaroid shots staring them in the face. In fact, I got more money selling the pictures than I did winning the bet.

B.H. London.

DUSTMAN'S DELIGHT

Continued from page 40

to wank herself off with her fingers.

She spent ten minutes wanking off like that and then she went down on her knees and used her tongue and lips and fingers on my cock and balls.

Like I said earlier, she was an expert, and before long my cock was hard and stiff and ready for some more action. So we got out of the shower, dried each other off with large fluffy towels.

I started to leave the bathroom but she pulled me back. "No," she said, running her right hand over my belly. "Let's fuck right here in the bathroom."

"That's fine by me," I said. "How do you want it this time?"

"I want you to get on top of me," she said. "I want you to fuck me, and then just before you come I want you to pull your cock out, move up, and shoot your sperm all over my tits. When you've done that I'll show you a little trick that you won't ever have seen before."

"I think I've seen just about everything," I said.

She smiled and shook her head, her right hand stroking now at my prick. "No, you haven't," she breathed. "After you've fucked me I promise to show you something that you've never seen before in your life, something that you will never see again, not as long as you live."

She let go of my cock, spread some towels out on the hard floor and then stretched out on them, she moved her hands down to her quim, pulled her vaginal lips wide open and said: "Come on, lover, get your cock stuck into this."

I got between her long legs and very slowly inserted my cock into her wet tube. I was dying to see what her 'trick' was, so I fucked her as fast as I could go. Just when I thought my prick was goung to explode, I pulled it out from her cunt, wriggled very quickly up her naked body, finished myself off with my fingers.

She had an orgasm as my sperm gushed from my cock and showered all over her breasts. It was quite a large amount of spunk as well, and her breasts and nipples were covered with it. In fact I was rather proud of the amount of spunk I had given her.

I stood up and told her to go ahead and do her little trick, and she smiled and stood up as well. Then she placed both her hands under her tits, lifted them up, lowered her head, then she used her tongue to lick all the sperm from those tits of hers.

She had been right, it was an amazing thing to see. Her tongue was lapping up my sperm from her boobs. Seeing a woman suck up sperm is a great sight, seeing her suck that sperm from her breasts is an even better sight.

Then she squeezed her tits together, lifted them even higher, opened her mouth as wide as it would go, then she got both her nipples into her mouth at the same time. Don't ask me how she managed it, for I would have thought it impossible had I not seen it for myself.

But she was doing it, she was really sucking on both her nipples at the same time. It was an incredible thing to watch. She'd been right about something else as well, I'd never seen that sort of thing before, and I doubted whether I'd ever see it again.

Well, I stayed with her for the rest of the night, and she made me promise to come back and see her that same evening after I'd finished work.

I did just that. I turned up at her house at seven in the evening, and when I walked into the place I handed her a present. She opened the package and her eyes lit up, for what I had bought her was a huge rubber dildo.

"I must try it out right away," she whispered as she hurried me into the bedroom.

We undressed each other and I sat on the side of the bed while she stretched out on the sheets, and she took the dildo by the balls and then rubbed the glans shaped end up and down her floppy cunt lips.

Pretty soon her juices were flowing and spurting, and her cunt lips were gaping, and she was moaning with delight. Then she eased that thing all the way into her hole, and she pushed it so far in that only the balls were left outside her quim.

She then wanked off faster and harder than I've ever seen any woman wank off. She gave herself some massive climaxes with that thing, then she pulled it out and after that she spent quite some time licking and sucking her thick hot juices from the shaft.

I then got her on her hands and knees and drove my cock into her cunt from the rear and I shafted her deep and long, my balls slapping against her cunt lips, my glans battering deep inside her tight hole.

The fuck was so frantic that we both fell off the bed, but I managed to keep my prick inside her quim, and I gave one last heave and then filled her pussy up with my hot sperm. It was at that very moment that the door opened and in walked this man. His face went bright red with rage when he saw the bird on the floor, me just pulling my cock out of her cunt, my sperm dribbling from her pussy lips.

I wasn't feeling too happy, for that bloke was big, but big. Being a dustman had made me tough and strong, but I was a midget compared with this bloke. He was huge, but huge. I stood up and he said: "What the fuck are you doing to my wife?"

"Christ, you the husband?" I asked.

"Yes, I fucking am," he snarled.

"I was just emptying the dustbins..." I started.

"You were fucking my wife," he snapped.

"Well, appearances can be deceptive," I suggested.

"You know what I do for a living?" he asked.

"No, what?" I answered.

"I'm a professional wrestler," he said. "I won my bout in New York and came back early. Good job I did. Right, I'm now going to take your cock and shove it up your arsehole."

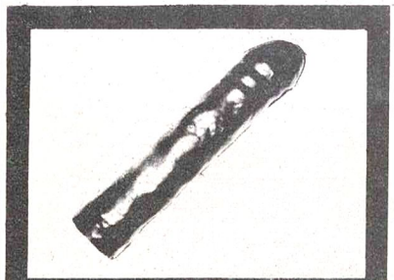
I jumped round the other side of the bed, grabbed my clothes and dived for the open window. Trouble was we were on the second floor and I landed down among the dustbins. Put me in hospital for three days it did.

Well, that's what happened to me with that bird. I can't go near the house anymore, the guy would kill me. But it was good while it lasted.

I've got some great memories of that house and that bird, and none better than when she lifted her tits up high in the air, and used her tongue to lick and suck up all my hot sperm. Yes, dustmen have their moments like anyone else.

LADY CAN'T SAY NO

VIBRATING PENIS



A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct, and women who thought they knew themselves well report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7½ inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.
AVAILABLE IN BLACK OR WHITE

SEX BOOST CREAM

To be rubbed on the male penis before intercourse and on the female vagina. This cream lubricates AND intensifies the sexual pleasures of intercourse. GUARANTEED TO TURN ON ANY WOMAN, a real passion raiser! Would turn a nun into a nympho! £3 a jar.
SPECIAL OFFER: Lady Can't Say No Vibrating Penis AND SEX BOOST CREAM just £6.50.
